

## Review for “Hairdresser I'm in love!”

Tags: **Hairdresser, girl**; Published: **April 27<sup>th</sup>, 2023**

As is usual for her videos, Jeny introduces the background and a brief introduction of what is coming up. All whilst she is doing this you can't fail to notice Jeny's bare breasts under a very thin blouse. It's a glorious start to what will become a classic video.

We then see the new victim of Jeny's latest hairdressing prank and it's a young lady who has agreed not to be blurred (which undoubtedly makes Alex's job of editing a whole lot easier) and means we get to see the reactions of her far clearer!

Of course the young lady is wearing a long blonde wig but she is wearing a short black dress with black tights and Jeny gets her to sit on the by now famous red stool. Jeny begins brushing the hair, all the time her beautiful breasts and nipples are visible and the girl can't fail to notice them.

What is equally evident is the chemistry between them with the gentle brushing of hair from the girl's face being particularly noticeable. At one stage Jeny pulls her miniskirt up to the point where her pussy is on show and appears to forget as she stands back to admire her work and soon after Jeny unbuttons her blouse and bares her breasts to the delight of her victim (and, of course, to us her secret audience!) Now as Jeny continues to work on the hair Alex moves behind her and we watch as with his free hand reaches up and caresses Jeny's pussy lips and Jeny carries on with the hairdressing as if nothing unusual was happening.

And the whole scene is so erotic. Jeny, standing there admiring her hairdressing skills seemingly forgetting that she has pulled her skirt up so her pussy is on show. Jeny moves closer so that her bare pussy is on the thigh of her victim ... again Jeny stands a way but this time her blouse is open, her beautiful breasts fully revealed.

There follows a lovely scene with the two ladies laugh together Jeny explaining how her breasts keep falling out of her blouse. The young woman suggests that Jeny might be more relaxed if she takes the blouse off completely! She tells Jeny that being naked in front of others is a sign of confidence in oneself. This is music to Jeny's ears and soon she is naked before her friend. Jeny is in her element and the eye contact between them is tangible evidence of that all important chemistry. Jeny continues to play with the wig while her friend, with the gentlest of touches, reaches out to caress Jeny's breast. This really is eroticism at its height. Jeny's nipple is soon erect due to the touch of her new found friend. Then in the next moment Jeny takes her hand in her hand and moves it to her pussy!(as everyone knows this is a giant leap forward from Jeny's normal limitations). There's a very touching moment when the young woman explains to Jeny that she is bisexual and holding back tears she continues on with her tales of rejection when trying to date other women.

Jeny finishes the video by explaining that over lunch the 3 of them (Alex, Jeny and the young lady) discussed future plans and working together soon so watch this space!
