This is a classic Jeny video, especially if you enjoy seeing her teasing her victim in a gradual way, taking her time whilst her employee/victim tries to work on Jeny's new online store (more of that later!).

Jeny sets the scene, dressed in a wool jacket with matching very short dress and sneakers. The studio is set up to replicate the online shop with the victim sitting at one desk while meantime Jeny's desk is positioned opposite. At first Jeny stands next to the young guy, her bare butt peeking out from the hem of her mini-dress.

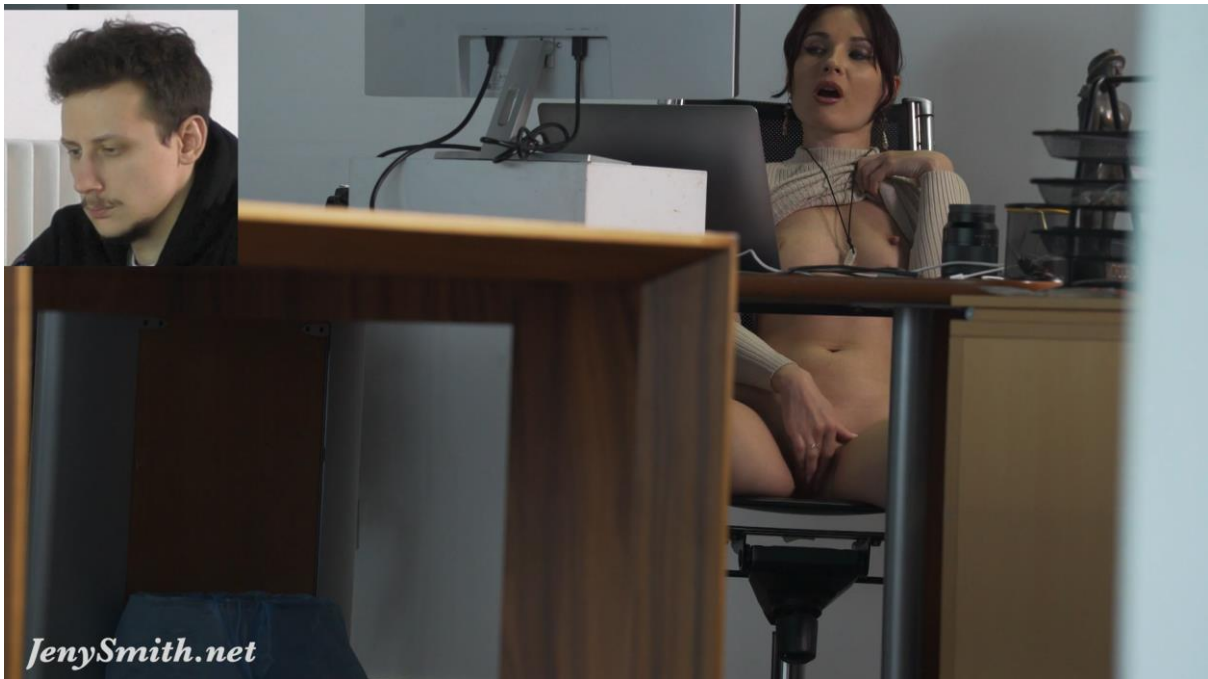

Gradually she moves around until she is sat on the edge of the desk and with her pussy lips now clearly visible to

the victim she acts as if nothing is untoward, carrying on chatting whilst knowing what is in his eye line.

There now follows a 15 minute section with Jeny walking back and forth seemingly studying her custom made jewellery with her bare ass cheeks on show the whole time.

She decides enough is enough and with the victim sitting at his desk with his back to Jeny, she pulls her dress right up above her sensational breasts and begins to masturbate! One hand on her pussy, the other tweaking her nipples. Despite moaning softly she fails to attract his attention. (she later tells Alex that she was desperate to be caught!)

With Jeny's best laid plans thwarted, she turns to her back up and what a back up!!!! Featuring her sheer dress without underwear, of course! and a pair of very high heels Jeny acts as if nothing unusual has changed, walking around the studio oblivious to the fact her dress clings to her body like a glove, her breasts and nipples clearly visible to our victim and Jeny bends constantly ensuring her ass cheeks are displayed in all their magnificence.

The victim gamely carries on with his work, occasionally taking the risk to watch Jeny. Eventually Jeny goes full on and stands in front of him, her smooth body almost fully on display through her see through, tight dress. For the following 10 minutes Jeny teases the young guy, asking him what is the ideal length of her dress.

Eventually she drops a lot of beads onto the floor and getting the victim to help she ends up squatting in front of him with her legs spread wide and her pussy fully exposed.

Then Jeny gets the victim to sit under her desk and she is masturbating within inches of his face! The action stops whilst the victim asks whether this is a scam and being reassured by Jeny that it's just a prank video, she asks him if he wants her to continue! I won't spoil the ending for you but there is at least 20 minutes more in which Jeny shows why she is the Queen of tease.

I can't praise this video highly enough as you feel the sexual tension mounting. It's almost 75 minutes long and worthy of each and every one of those minutes.
