

Review for Video “Jeny: Her Stealth Mission”

Tags: mission, plant, factory, lost, stealth; Published: June 6th, 2023

This video starts with Jeny on a railway track near a large deserted factory and she is wearing a dress and sneakers but what a dress! It's a long sleeved camouflaged print but completely sheer. We watch as Jeny introduces us (sadly these aren't subtitled so we miss what looks like a fascinating insight).

Anyway, back to the video!

Lovers of Jeny's butt will not be disappointed as we follow her exploring the disused factory. The dress hugs her body like a second skin and conceals nothing. But that is a dress too much for our Jeny. She takes the dress off and it is grabbed by Alex who proceeds to throw it away in some bushes!

So a naked Jeny continues to explore the factory in nothing but her sneakers and some large hooped earrings. Finding some stairs she climbs up and Alex takes advantage of the surroundings to do a photoshoot of Jeny. Having posed, Jeny continues to explore and Alex explains that the mic doesn't pick up the numerous sounds that make the adventure so scary for the nude Jeny

Suddenly Alex hears something behind them and as he spins around and captures on camera a voyeur who has been following them (and who can blame him, wouldn't you?!)

Beating a hasty retreat through the undergrowth, Alex explains to Jeny his plan to escape "just run!". We then appreciate Jeny's choice of footwear although even then being bright white she makes sure not to get them dirty!

Retreating to where they first entered, there is a brief moment of panic when Jeny can't find her dress! There it is!! She struggles to get her arms in the long sleeves and finally it is on! Of course, if we had forgotten (surely not!) the dress is completely transparent. Jeny walks back to the car, Needless to say, she can't resist pulling the dress up so that her gorgeous bare butt cheeks are still on show.

Later we are told that having spoken to the locals, the building is used by illegal immigrants and it was at least one of them spying on naked Jeny
