

## Review for video “The Massage Rookie Test”

The scenario of the video is told briefly in 2 sentences, 1, that a previous victim had asked Jeny and Alex to prank his brother and 2, that the scenario was "massage tutorial" and that Alex would play the role of tutor.

Let the fun begin!!

The video begins with Alex introducing us to the victim, a young guy, and Alex will teach him massage a beautiful model called Jeny!

She appears on camera wearing just a pair of cream coloured panties and an arm up covering her naked breasts. Jeny is then invited to lie on the massage table face down, the panties are a thong design so her wonderful butt cheeks are displayed in all their glory. The massage begins with Alex telling the guy the basics of massage including warming of hands before spraying oil on Jeny's back, unfortunately the oil is cold!

Soon the victim is enthusiastically rubbing the lotion into Jeny's bare skin. Meanwhile Alex is massaging her right leg and bare cheek. He tells the guy not to be shy and the relationship is just like a doctor/patient one Alex and the victim are now taking turns to massage Jeny's back and legs. Alex takes the opportunity to pull her thong tight between Jeny's butt cheeks and as they swap places the guy follows Alex's lead spending most of the time rubbing her cheeks and spreading them wide whilst also taking the opportunity to rub her pussy through the thin material.

At this point Alex leaves Jeny and V alone to carry on with the massage V seizes the moment and really goes to town and even starts to pull Jeny's thong down. Sensing no resistance from Jeny (in fact she lifts her hips up to make it easier for him!) her panties are pulled right down and then off completely.

Does she let V touch what up to now has been off limits? You'll have to watching the video to find out! Not a member? Well join us at [jenysmith.net](http://jenysmith.net) to watch this video and hundreds of hours of Jeny as the Queen of tease!
