Although this is a relatively short video (running time: 12:54), there is enough here to keep you aroused (if not, check your pulse!).

The video opens with Jeny dressed to thrill in a lacy black mask, an open black leather bra which has a series of silver chains that end in loops that leave those amazing nipples exposed and finally, some thigh high leather high heeled boots that includes leather straps giving the outfit a suspender belt (garter belt) look which frames her pussy. So as you can tell, Jeny is dressed to thrill! With a full length mirror at one end of a large table you won't miss an inch of her gorgeous body.

She's already atop the table and we watch as she poses provocatively for the photographer (Alex is videoing the session). Soon Jeny is laying full length on her tummy, her beautiful bottom looking as gorgeous as ever.

Then raising her body up so she is now on her hands and knees and we can only guess what is going through Jeny's mind as she pokes her tongue out and licks her lips. At this point she swings around and the position of the mirror is crucial as we get a view of her perfect pussy lips and her fabulous

ass! Jeny continues to pose for her photographer on all fours and he captures the reflection of her ass and pussy, Jeny can't resist the opportunity to twerk!

I'm not sure that Jeny knows what punishment awaits her later as the first of her spreading antics begins with her reaching round and spreading her butterfly open and it appears to

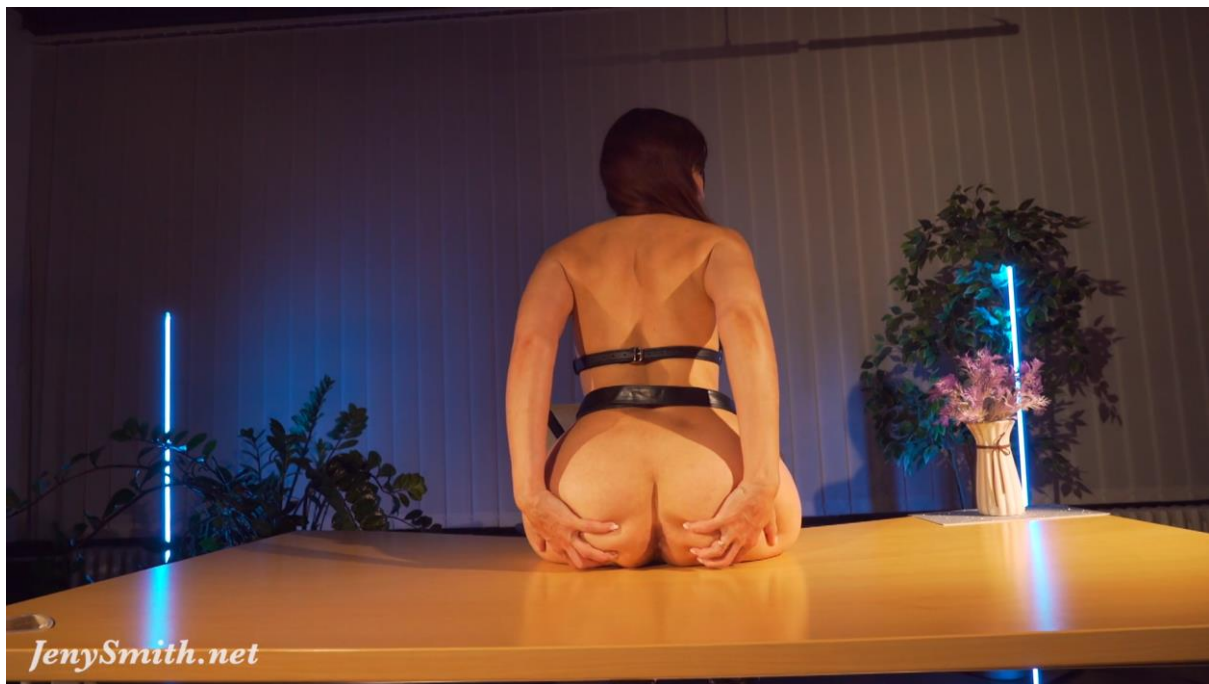

excite Jeny judging by how wet it appears to be! We are treated to a close up of her sensational nipples as the camera pans across her chest.

Next we see Jeny sitting on the desk with her legs crossed at the ankles allowing use an unrestricted view of Jeny's perfect pussy, with a dusting of pubic landing strip, her lips smooth and hairless. Jeny is now seated on her desk with legs spread wide and her head tossed backwards, she looks good enough to eat (wishful thinking on my behalf!). Now kneeling, we get to see Jeny's inner lips hanging down between her spread thighs.

Then on to her next poses which includes sitting with her back to us, she, again, risks further punishment by spreading her lovely butt cheeks open showing us her puckered anus and wet pussy.

Next she's face up on all fours, Jeny tempts us with the most beautiful shots of her gorgeous pussy, legs again wide apart. The lighting is reflected off her wetness and we get some understanding of how excited Jeny has become as she licks her fingers and proceeds to coat her nipples with saliva.

She stands facing the camera and there is a moment when we have a chance to watch Jeny as she allows us to look at her heavenly body before placing her fingers on her pussy and gently opens up her lips but not before she has spent some time playing with her wonderful breasts and nipples!

Jeny is photographed from below as she can't resist stroking her divine breasts before reaching down to open her pussy lips again. Turning around Jeny bends forward to reveal her perfect pussy and once again she spreads her butterfly open. Her fabulous ass is then held open for the photographer before he puts the camera down.

Now with his hands free and with Jeny spreadeagled across the table, she is now ready to receive her punishment for spreading her legs wide.

And Jeny's punishment is a good spanking from the photographer. We watch as her ass cheeks turn a lovely pink hue and during a brief pause in her spanking we are treated to a wonderful view of Jeny bent over, her legs spread wide and her pussy filling the screen, her spanking continues until her punishment is complete..... ..or is it!!

Jeny speaks to us in the sexiest English accent that she is a naughty girl, she needs more and proceeds to spank herself until her cheeks are at the correct redness that Jeny requires. She finishes the session with one final spreading of her ass cheeks revealing her gorgeous anus stretched along with a very wet pussy.
