Running time: 36 minutes 41 seconds

The video begins with a short introduction giving some info on the background of what will follow, namely that the video is for YouTube and so Jeny expects it to follow the strict rules, Astra and Alex have other plans!

The first we see of Jeny and Astra, they are standing in what looks like a news studio. For those of you who have been members for a while, will recognise Astra from one of the hairdressing videos and she is bisexual which may or may not become a factor later on. They continue on the task in hand. Jeny shows her professionalism by carrying on as Astra gently strokes her back.

Astra is dressed in trainers, some pink leggings and a white t-shirt. Her hair colour is pink and she wears no makeup and is complimented by Jeny (who is made up as any newsreader would be!) Jeny's wearing a pale blue jacket, buttoned down the front, a black skirt, lace topped stockings with over the knee boots.

There follows a conversation between the two of them that hasn't been translated which is a shame in one sense but it makes life simpler for Alex which means the turnaround for editing is much quicker and correspondingly the posting of the videos is much faster!

Astra begins with the stroking of Jeny's back and precedes to work her way down towards the hem of her skirt. At the second attempt, Jeny is suddenly aware of Astra's hand at her side and asks her is something wrong with her skirt? Astra reassures Jeny that everything is just fine and the two of them continue on.

Suddenly Jeny's phone goes off and she goes to answer it and Astra moves aside which means her body is now off the green screen behind her which gives Astra an excuse to get closer to Jeny. At that moment, Alex leaves them to check the cameras and Jeny decides to prank Alex with a Christmas dance which Astra is only too happy to go along with! Astra surprises Jeny by taking her bra off from underneath her t-shirt! Astra's nipples are prominent.

There follows a delightful sequence with both girls dancing as Astra sings 'jingle bells' and cups her breasts and the routine finishes with Jeny's jacket undone and her fabulous breasts exposed. The girls are clearly enjoying each other's company and Jeny's quick to point out to the returning Alex 'that's NOT for YouTube'!

They hug each other amidst lots of laughter and giggles. They are disturbed again by Jeny's phone and call a halt to filming whilst Jeny takes the call.

Again Astra takes the opportunity to move closer to Jeny, who concentrating on her call feels Astra stroking her back. Sensing that Jeny is distracted by her phone, Astra gently lifts Jeny's skirt up revealing one cheek then the other until Astra is able to stroke both gorgeous cheeks. Jeny finishes her call and finally realises what her friend has been doing, not that she complains.

Astra persuades Jeny that for the rest of the youtube channel Jeny should leave her jacket unbuttoned but as she is braless Jeny will have to be careful as bare breasts are not allowed on YouTube!

Astra says 'I've missed you so much!' and gives Jeny a big hug to which Jeny asks Astra 'do you always greet friends like that?!' to which Astra tells her how beautiful she is and stroking her neck, tells her how beautiful her ears are.

After a conversation between the three of them (J, A and A) they decide to do one ending for YouTube and another for the site. Astra helps Jeny to remove her skirt,

leaving her naked but for her open jacket, stockings and boots. Jeny continues to talk to the camera about the ecology and AI whilst Astra caresses Jeny's naked body, all thoughts of YouTube clearly forgotten. During which Jeny's jacket is removed and her glorious body is finally revealed.

I won't spoil the next stages but I will say that it involves spray cream and a scene at the end which is so erotic and is a first for Jeny!

(OK – for anyone who may need further persuasion, I've included two teaser photos at the end to whet your appetite).

So what are you waiting for?!
