A Russian speaking bar owner is looking for Russian bar staff to work at a series of events he is planning for the coming months. Step forward the gorgeous Jeny!

She is alone at one of the bars and is wearing above the knee boots, a cream coloured sweater, a short black skirt and red seamless fishnet pantyhose and this being Jeny, she is braless and pantieless!

Jeny sets her camera up at one end of her domain and because of its position (low down) Alex won't have to blur any of her customers. As she puts finishing touches to an all stainless steel work area Jeny bends over to reveal her fabulous bare bottom to first of all, us and then not releasing the reflective nature of the stainless steel all is revealed to those lucky clients!

After some initial problems with the camera, Jeny is ready!
Lights, Camera, Action!

She cleans and polishes some glasses as she awaits her first customer.

A man approaches the bar and orders a drink and Jeny takes the opportunity to pull her skirt up revealing her gorgeous nylon encased bottom which is when we get to see the reflective quality of the fridges at the back of the bar!

Her first customer fails to notice Jeny's bare butt and so she bends over to retrieve a can from the fridge, this time he can't fail to see her.

The bar owner has arrived and wants his friend to try a whisky which just happens to be on the top shelf which, of course, means Jeny reaching up to get the bottle and her skirt is pulled up. The owner also wants a Coke which is in one of the cabinets and bending right over she is now showing her butt cheeks in all their glory. Both men get a fantastic view, whilst Jeny acts innocently and resumes wiping the bar down.

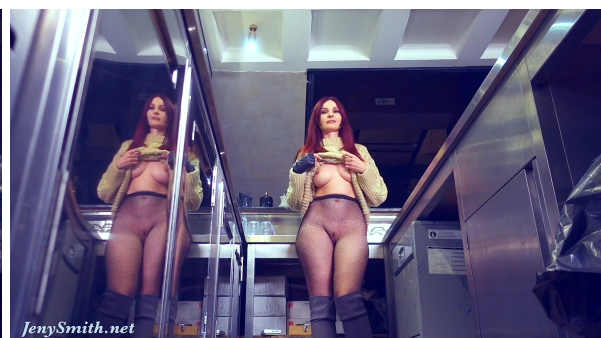

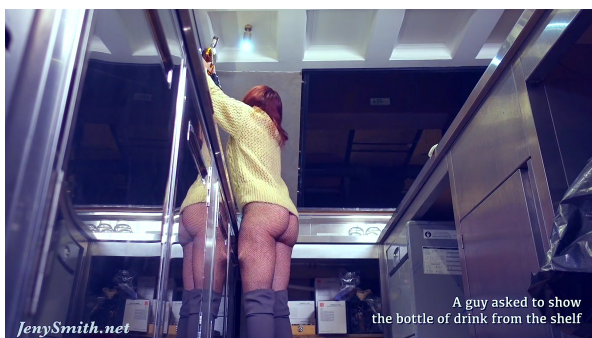

After a while and taking advantage of a quiet period we reach the next stage of naughtiness..the removal of Jeny's skirt! She is now wearing those fabulous over the knee boots, seamless fishnet pantyhose and a sweater!

A sweater that is just covering Jeny's fabulous bottom and by the baggy nature makes it very easy to pull up as we will soon see! Soon Jeny has her first customer who can't fail to notice her bare cheeks and, surprise surprise also wants to see that whisky bottle on the top shelf! Cue more stretching!

Next up to the bar is a woman who immediately notices and tells Jeny that has she not realised that everything reflects in the mirrors behind her. ' no need to be scared of me 'the woman tells Jeny. She goes on to tell her that she is studying Art at the University and has done a lot of life drawing (for those not aware, life drawing models pose naked) though none as beautiful as Jeny! They continue to discuss the pros and cons of life drawing until a man interrupts and begins to talk with the woman. They miss Jeny pulling her jumper up and displaying her pussy!

Everyone has gone to the main hall which enables Jeny to play, firstly pulling the sweater up to expose one fabulous breast, then she is bent right over for a sequence of tweaking and finally squatting with the jumper again pulled up this time both magnificent breasts on show. Then she is holding a small velvet bag behind her and anyone who's a member of jenysmith.net will instantly recognise the bag's contents but the rest of you will have to wait!

Jeny's next customer tries to chat her up (who amongst us wouldn't!) offering a lift home to which she discloses that her 'boyfriend' (or Alex as he's better known to us) will pick her up later There follows a brief conversation which ends with Jeny showing him her pussy lips (clearly visible as there's only the smallest of landing strips above them) and then turning and revealing her gorgeous bare bottom.

A woman who has watched Jeny and admired her antics comes up and there is a brief conversation which ends up with her saying 'I just like it this way!' So Jeny is becoming more aroused as she makes it her mission to show us as many facets of her exhibitionism as she can!

Jeny disappears and returns with that same small velvet bag in her hand. What does the bag contain? After a series of interruptions Jeny reveals the bejeweled butt plug and finding herself alone she inserts her toy.

Almost immediately a hostess comes up and Jeny fears that she has been caught and is about to be kicked out but it turns out that the hostess is trying to find a pen and paper! Phew! and double Phew as the butt plug nearly slips out! Now safely back in place, Jeny free to continue her naughtiness!

Jeny's latest customer tells her she is the best thing in the bar and as his reward she pulls her jumper up and gives him a fantastic view of her pussy! Next up to the bar is the woman who talked about art drawing and Jeny's quick to show her that fabulous bottom in the reflections. The artist quickly spots that Jeny is naked beneath her sweater. There follows a game of cat and mouse with Jeny teasing her new found friend as to what Jeny is now wearing. At last Jeny leans back against the bar and spreads her butt cheeks wide and her secret is revealed!

Now Jeny is in her element and can't resist lifting her sweater up to expose her gorgeous bare breasts, again and again she is caught by her clients until a moment of madness she pulls her pantyhose down and crouching down, Jeny removes her sweater!! Now almost naked she stands up and all of her gorgeous body is displayed.

The next voice we hear is that of the owner " what is going on here? !" as Jeny tries desperately to get dressed. There follows the sound of laughter as Jeny quickly pulls up her pantyhose. It's quickly suggested to the owner that Jeny deserves a pay rise "with an ass that beautiful she certainly deserves it!"

We'll leave it there as they make plans for further adventures at the bar and hopefully they will come to be!

As always Jeny is at the top of her game and is rightly called the Queen of tease by her fans. So wishing you all a very Merry Christmas and Happy New year, until we meet again, pukka pukka, Heather xxx
