Running time: **52:36 minutes**

We join Jeny and G (his real name begins with K but to avoid confusion we will stick with G as he is known as this in the subtitles) standing in front of the studio windows. G is wearing a pair of 'trackie bottoms' and a polo neck top, but you are not interested in what he is wearing, are you!

Jeny is wearing a bright green dress, black pantyhose and her favourite Christian Louboutin red soled high heeled black glittery shoes and,as always looks stunning.

Jeny asks G how he feels after the last time they met (see my cousin parts 1 and 2). He admits to being shocked and at the same time he says he didn't not enjoy it. The body language between them is intriguing, there is an undaunted chemistry between them with Jeny appearing almost smitten with G. Once the initial awkwardness has disappeared, Jeny asks for a hug and so they stand in full view of the cars, trolley buses and pedestrians that pass by.

Jeny then asks G what he imagines she is wearing beneath the green dress and despite various fondling of her butt cheeks he is none the wiser (I guessed right away!). Jeny suggests he removes them so he can see for himself and he does just that until a white g-string emerges from beneath her dress! Now the fun begins as G is encouraged to lift her dress up to the delight of the passing traffic. When a trolley bus passes slowly by, G tells Jeny to wave at it's passengers unfortunately another bus parks in the way. They decide to retire to the sofa.

Jeny decides to tease G as only she can. Jeny asks him if he would like to see her pantyhose as they come in different styles. At that moment, G is clearly confused as he assumed that she was only wearing pantyhose.

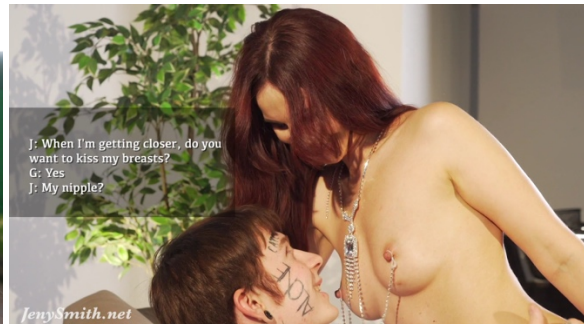

Jeny, now standing in front of G slowly raises the hem of her dress, higher and higher it goes until her stocking tops and then her pussy are on show! They both laugh and any awkwardness that was between them has now disappeared.

Jeny has something else to show him. She returns with her favourite suspenders (those long time members of her site will recognise them immediately and those of you who are new here will have great fun searching for them) and gives G the opportunity to attach them to her lace topped stockings. A task that he achieves without much trouble despite being just a foot away from Jeny's pussy and bottom throughout.

Jeny needs to take her dress off next so that G has a gift sent to her by a friend (me!). But before he gets to see what the gift is, Jeny let's him caress her sensational body which is now naked apart from her stockings and suspender belt. Being in a romantic mood she gets G to stretch her arms out to replicate the scene from Titanic when the 2 protagonists do the same at the bow of the ship. Jeny remarks on how hard her nipples are 'it means a lot' she tells him. A few moments later she asks G whether he has ever danced with a naked woman before, he replies in the negative at which Jeny tells him now's his chance. On being given the opportunity and being asked by Jeny how it feels, G can only say 'awesome!'.

Now the time has come to see the gift, it's a necklace but with an addition of 2 nipple rings (I'm biased about the jewellery as it was my gift for Christmas). G is now adjusting the rings. Jeny is now dangling the jewels over G's face as she wants to know whether the necklace gets in the way when having sex and then she kneels before him and playfully suggests that if she was sucking his cock they won't get in the way!

Now we change location to where Jeny has a table on which she wants G to lie on and having done as instructed, Jeny gets on top of him and now sat astride him, she again dangles her bejeweled nipples and in a moment of sheer erotica rubs a nipple over his lips. Whilst Jeny, is doing this, Alex is filming her from behind so we are treated to some wonderful shots of Jeny's by now damp pussy lips.

Now placed on the table is a smaller table which Jeny sits on like a Queen sat on her throne with G lying down beneath and between Jeny's nylon encased legs. She is beginning to play out one of her fantasies which is to masturbate whilst her victim lies under her body unable to do anything but watch!

Jeny is aware that G can't see her pussy from where he lies and teases him by pretending that she can't think of a solution to the problem. Then she tells him that she has solved the issue simply by moving forward on her table. Thus leaving her smooth pussy lips about 12 inches from his head! Jeny reaches back for the missing piece of her fantasy,... her pink vibrator! She asks G if he can see everything? Yes he can to which J tells him that she wants to be very wet! Jeny is now in her element as she turns the power up on her toy and talks literally down to her victim.

J; it's turning me on,... what we do now and how it looks

J; I like that I'm having my legs open and you are lying between them

While she is talking to him she continues to play with her toy.

J; this is the mode that my pussy loves and I can't refuse her.

J; it's so beautiful to see your face through my nipples

Like to train my vision

We are treated to a close up of Jeny's swollen pussy lips as she concentrates on pleasuring her clitoris. She teases G the whole time as we watch her building to a massive orgasm. As in all Jeny's videos her facial expressions are often more revealing than any other part of her body. Its almost intrusive as she nears her climax.

And climax she does, leaving her pussy as wet as we've ever seen it, for me as a woman the 5 minutes before and after the climax is the closest you as men will get to understanding how the female orgasm feels. It is a cinematic masterpiece!!

I won't spoil the ending for you by saying she said, he said and I had to overcome a prejudice against tattoos to fully enjoy the video. Plus the fact that it might not finish as some may wish but remember that this is Jeny's fantasy not yours.

Poka, poka
