This video is unique, as Jeny is quick to point out! Unique because it's one of a kind. Unique as the prank is designed not by Jeny (or Alex) but by Vika, and the victim is her husband. Jeny sets the scene.

Jeny is wearing a long-sleeved white jacket over a fitted black glittery top, a black skirt with black lace-topped stockings and her favourite Christian Louboutin red-soled shoes. Black appears to be the colour theme for the shoot as we are introduced to Misha (our lucky victim and Vika's husband) who is wearing a black shirt and black trousers and Vika who wears a black/grey dress with a white collar and cuffs fishnet stockings and black stilettos.

Vika is the camera woman who has told her husband nothing other than he is playing the part of Jeny's boss and he certainly doesn't know that it's a nude photoset or that Jeny's a nude model!

So the scene is set, our players are in place, and we wait to see what will happen.

At first, nothing (but this is the great thing about Jeny and her videos and that is the sexual tension building up, when we get to see a stocking top or the briefest of sightings of a nipple)

It soon becomes apparent that the story being told here is that of a secretary fighting to keep her job by proving her worth by whatever means available. M is annoyed with Jeny's failure to get paperwork up to date.

But soon Jeny is showing us her stocking tops and at one stage, whilst standing behind M, she can't resist pulling her skirt up revealing her suspenders but also exposing the fact that she doesn't wear panties. She manages to cover up just in time before M turns towards her and again she is moments from getting caught when getting her breast out! There's laughter from V and J which only adds to the confusion of M.

V is taking masses of pictures as M and J start to flirt with each other, something which only encourages V to take more photos. V then instructs Jeny in the poses she requires her to take. I should mention that Vika with her hair cut severely and her pale complexion wears the brightest of red lipstick which compliments her strong look. Meanwhile Jeny is lying on the desk as M signs documents on her back.

Now comes the first major reveal as V sits on the sofa. Alex is quick to capture an upskirt moment which shows that her black fishnets have a band of red elasticated holding her stockings up and she too is pantieless. And unlike J who wears a tiny landing strip that does nothing to cover her pussy lips V is hairless (a look that I prefer being fully shaven myself!)

By this stage, Jeny is sitting on the desk and we have the luxury of an unobstructed view of her perfect pussy, a view not available to M but his suspicions are growing that something is going to happen. He laughs nervously! He is told by V to hold Jeny's heel as she lies on the desk.

In that position, Jeny is able to spread her legs wide apart with the excuse that it gives M a better surface to sign more documents (meanwhile, we get an unrestricted view of Jeny's perfect pussy). M is further confused when receiving instructions from V(his wife) such as 'whisper in her ear' and 'kiss her on her cheek'. There are more instructions from V, such as 'hold her breast' and 'Could you pull her dress down'

We can see M's embarrassment even though his face is blurred! Eventually he can see that he is the victim of their prank and he invites V to join Jeny and him on the desk. Things begin to develop in a direction that they could only have imagined in their wildest dreams!

At one point M is lying back on the sofa as both ladies stand on either side of him, each with a leg on the sofa and masturbate as M plays with himself. V then instructs her husband to undress J, which he is only too willing to do

Jeny's fabulous body is revealed as M gently removes her jacket, top and skirt to reveal the most exquisite suspender belt. 'Fucking Hell' is one of the few words that he is able to say. As V is quick to point out to her husband 'one woman is good but 2 is better!'

Minute after minute we are treated to ever more erotic images. An example of this is when both ladies kneel either side of M as he plays with their pussies. This leads to V reaching orgasm as M plays with her clitoris.

You would be forgiven for thinking that with V's orgasm that the climax of the video had also been reached. But no. there's another extraordinary scene which makes this unique. Firstly M and J pose together for V, Jeny looking stunningly beautiful in just her stockings and suspenders and if we could see M's face, it would have been one of sheer joy as his hands follows Jeny's curves.

Then we watch as Jeny climbs on M's reclining body, he reaches up to fondle her beautiful breasts whilst Jeny sits on his crotch fully aware of his erection. They stay in that position for a time that is until Jeny moves up and sits down on M's face!!

I have watched this scene several times and it is literally mouth watering as Alex zooms in on M's face and we see him kissing all around Jeny's lips until he becomes braver and licks her clitoris. Jeny realises how naughty she has been and without anything being said M begins to spank her, the look on Jeny's face is a joy to behold.

As M continues to turn her butt cheeks a delicious bright red, V joins in the spanking and with the most exquisite look on her face she asks us to enjoy it with us, the screen turns black and that's it.

Once again Jeny leaves us wanting more and makes you imagine that the evening was filled with more orgasms etc.

Jeny spoke in her blog that this story was hot! I have to disagree with that. It's not HOT.....this is an INFERNO!!!

I hope you enjoy my review so until we meet again, poka poka ☺
