Running time: 23 mins 11 sec

We start this episode walking behind Jeny in a park on a glorious sunny evening. And of course you will want to know what Jeny is wearing. Well just so you know, if you have seen the earlier video with Jeny trying on her new wardrobe you will recognise her mini skirt and those eagle eyed of you the top she now wears was left on its hanger.

So she's walking in front of us and her black mini skirt only just covering her bare butt cheeks ,Jeny's tshirt is divided in two, half black and half white but we will have to wait for the surprise that awaits us when she turns around.

And when she does, Jeny's secret is revealed as are her nipples, yes both halves of the tshirt are sheer! Are they enough to detract you from the other surprise? Well they are certainly outstanding but if your eye is drawn down to her skirt you will certainly notice that one of the 4 zips at the front is unzipped about half way up giving us a tantalising glimpse of Jeny's perfect pussy with its landing strip that hides nothing of her hairless lips.

Jeny continues her stroll in the evening sunshine and doesn't attempt to hide any of her treasures from admiring glances. One only has to notice how erect those nipples have become to know how Jeny feels! Her mischievous smile is as beautiful as ever. Then she finds some stairs to climb, this allows us a magnificent view of her bare bottom. There is a wonderful moment when the late sun forms a halo around Jeny's head and adds a saintly quality to our goddess!

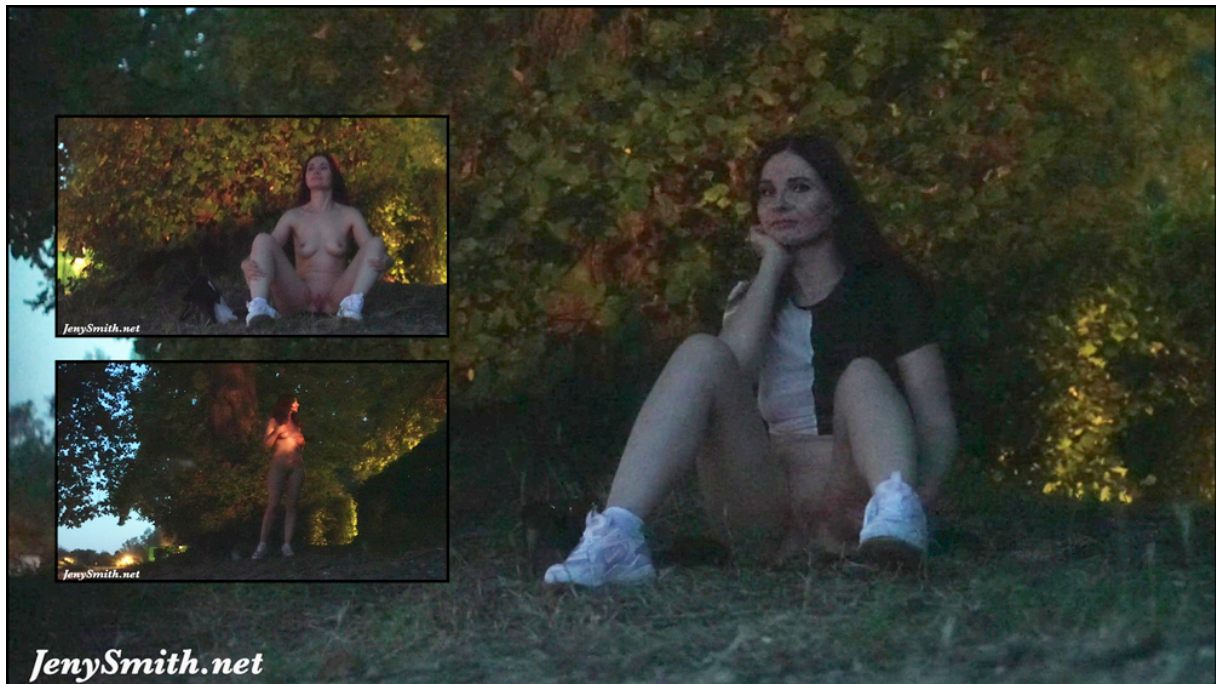

She finds a bench and in the process of wiping the dust from it she bends forward allowing us an unrestricted view of her gorgeous bare bottom. Jeny sits down with her skirt unzipped almost to the top exposing her pussy. Then bringing both feet up on seat we briefly get another glimpse of her pussy before she is nearly caught!

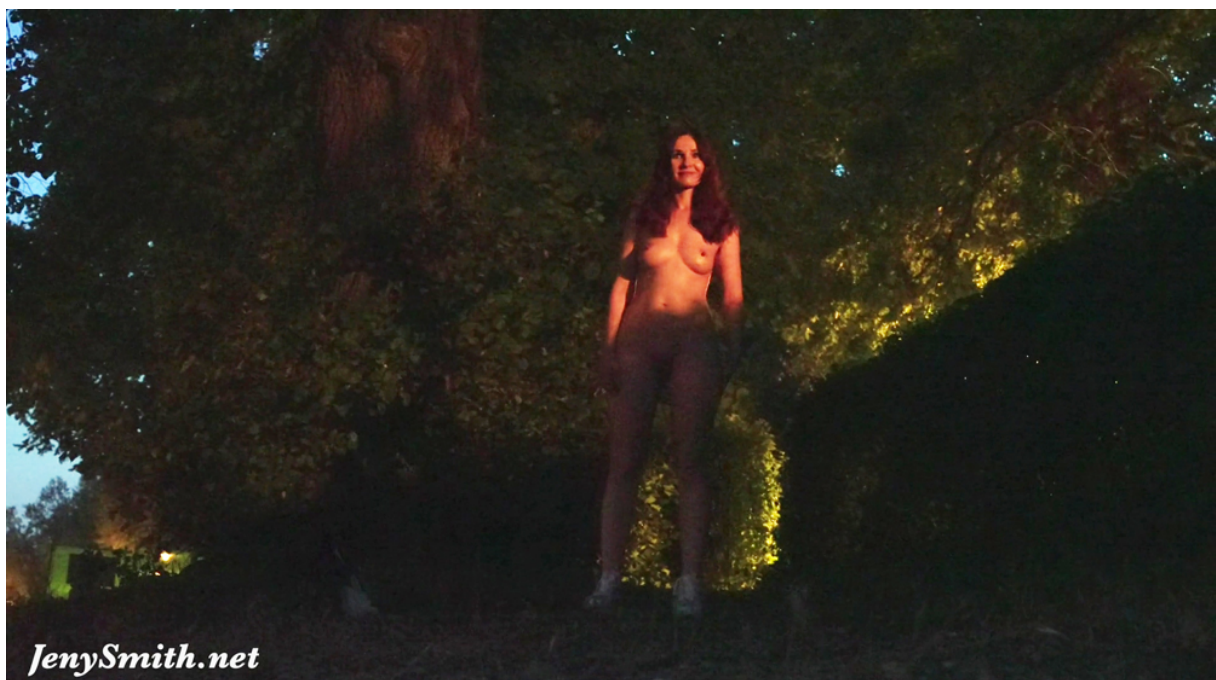

Jeny is so beautiful and the next few minutes we get to see her in silhouette and she looks so gorgeous especially when she unzips all 4 on her skirt and does her twirls. It is wonderful seeing her so happy and at ease

Now Jeny finds a spot to sit and with the sun beginning to set she takes her skirt off! Now the fun really begins, first up is a stroll alongside a hedge whilst bottomless. Then if that wasn't enough (and this being Jeny she was bound to do more) She returns to her original spot, off comes her tshirt. Now just in her trainers. She is in full exhibitionist mode, especially when she realises that she has been spotted by a man who pretends to be collecting pebbles.

Jeny is now putting on a show for the guy, she opens her legs and massages her beautiful breasts. We watch her until she needs to get dressed. Jeny blows us a kiss and the video finishes.

This video has a piece of music playing throughout which suits the mood of the episode and is a Spanish guitar piece which my husband tells me is similar to Rodriguez guitar concerto (I have to take his word for it as I am deaf)
