So Jeny sits on the massage table and, unusually she starts this video at the end of filming.

Normally she sets the scene for us but this time she tells us how she comes to being sat on the massage table, naked! And it turns out that the masseuse has been asking Jeny if she wants a massage, giving her the feeling that Jeny's friend wanted this more than she did!

This is probably the best massage video that Jeny has starred in, but I'm biased being a female and I love the thought of massaging Jeny!

So having set the scene, Jeny and the masseuse (F) appear. Jeny is just in a black thong whilst F is wearing her masseuse's uniform and a mask. She suggests that Jeny remove her panties otherwise they may be spoilt by the oil. So Jeny removes them, naturally!

So Jeny, now naked, lies face down on her stomach. Alex has set up 2 cameras before leaving. The first camera is set to show us a view from the side and the other camera is set to show Jeny's butt and pussy in close up!

The massage begins with F oiling Jeny's gorgeous bare body (the sequence is speeded up) until she concentrates on Jeny's butt cheeks. She is soon spreading both cheeks so that we get some stunning views of Jeny's butt and pussy as they are held open.

This is when the video becomes more explicit. Jeny wiggles her bottom as a sign that she likes the direction that F is going in, unfortunately F misses the first attempt, so wiggle number 2 must be deployed, it works!!

It's obvious that Jeny is encouraging F to 'explore' her treasures. F is now running her hands across Jeny's anus and pussy and spreading her inner lips so that, briefly, we are able to see inside Jeny's perfect pussy. She asks Jeny whether she wants only an outside massage or an inner one, Jeny decides on an outer one. The understanding being that had Jeny chosen the inner choice then almost immediately Jeny would be finger fucked as F continues to rub Jeny's clitoris and very nearly fingers her pussy by 'mistake'!

F is now to all intents and purposes masturbating Jeny as she reaches down and continues to play with Jeny's engorged and very wet pussy. However, despite Jeny's reluctance F fingers her anus and when asked if she had indeed inserted a finger, only said it was good for the blood flow, before fingering her again!

Having allowed F to cross most of her boundaries Jeny turns over and now face up, we get to see her superb body including her hairless pussy (I do love the smooth shaven pussy!)

Jeny is really relaxed and opens her legs to allow F full access to her pussy. I'll let your imagination take over as you think of Jeny, naked and clearly aroused.

Jeny is doing everything to live up to her name 'Queen of tease' I'm sure that you will love all that happens in the next 20 mins. And if you agree with me then you must add your thumbs up!
