For those of you who haven't watched the preceding video, the taxi driver mentioned above is the same guy who drove Alex and Jeny to a festival,

The scenario that begins in the park where Jeny has arranged to meet the taxi driver and then go for a walk in the woods together. For safety's sake Alex will follow them at a distance so everyone is fine. Also the whole video is in English! Jeny wants to practice her English and speaks it with a Russian accent!

Anyway back to the start Jeny who is waiting for T(axi) D(river) to arrive. She is sat on the trunk of a fallen tree. One can't help but notice what she is wearing. Jeny has a white halter neck, sleeveless top and a skirt (more of which later).

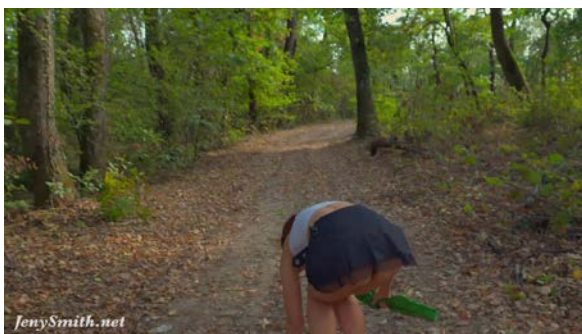

The outstanding (literally) features are Jeny's nipples which are trying their best to escape through the thin material of her top. She explains that when she left home it was 30C in the city where as at the park it's 20C. This makes them so hard (they remind me of 2 acorns) This turns out to be what Jeny is looking for.

Jeny stands up to greet TD and immediately her skirt becomes the centre of attention. It's black and very very short, just covering her gorgeous ass! (if you go down to the woods today, you're sure of a big surprise!)

They move off with Jeny leading the way. TD follows a few paces behind, he has the video camera and films Jeny as she is looking amongst the leaves that are now covering the path. Suddenly she spots what she is searching for. TD almost misses the moment as Jeny bends over to pick up the acorns. She's not bothered with panties (this is Jeny!)

Jeny is in her teasing best. She asks TD why he's smiling (knowing full well why!) and he has to make up something, in this case he says that he was just minding the over hanging branch that she warned him to avoid!

Jeny asks him if he likes her skirt (he does) or should it be shorter and at that moment she pulls her skirt up to just about pussy level. TD zooms in as Jeny turns around to show us all a great look at her gorgeous bare butt cheeks. She says that she would prefer not wear her skirt!

This is music to TD ears! He says that she is the boss and if she is more comfortable without her skirt then that's fine with him. (I forgot to say that all the time she is carrying a green bag which she hasn't told TD what the bag contains)

Jeny then decides to take off her skirt and immediately does just that. She skips away but is soon back and quickly puts her skirt back on as a walker passes by!

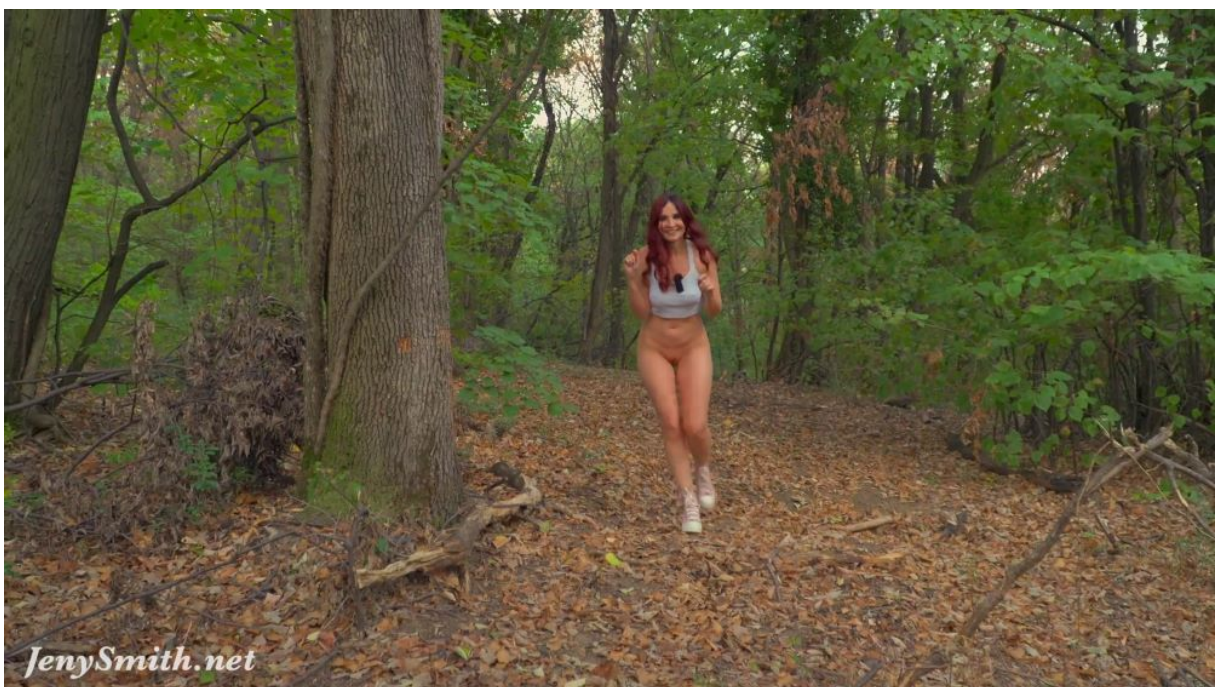

This is where the action really starts and if you would rather watch the video now I suggest you stop reading now. If however you want to read more than follow me in part 2!

Part 2 of the park walk with TD.

Okay, so this is where the action moves to another level.

So we left Jeny and TD standing in the park after a walker had almost caught Jeny with just her halter neck top on. She tells TD that this is boring and that she wants to have some fun as she has something in the green bag that Jeny says is a toy that she will show him later. Now she really is in teasing mood and nothing is going to stop her now. So this time the skirt is off for good and she tells TD that she is going for a walk. TD asks Jeny if she wants her skirt but she says no! If someone sees her nakedness then so be it! She strolls off and disappears from sight. TD calls out her name and she reappears from the undergrowth with that mischievous smile on her face.

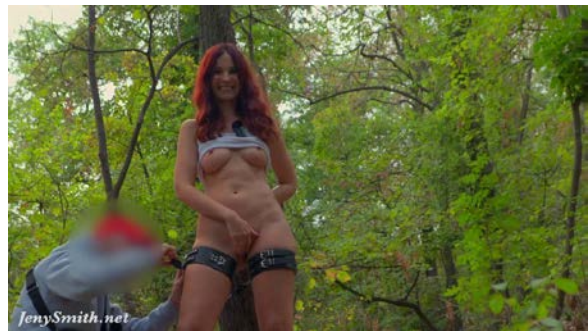

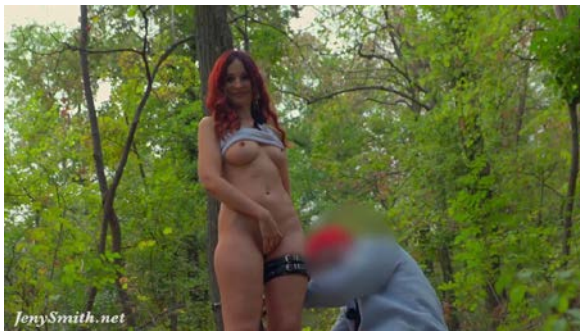

Jeny then empties her bag revealing all manner of bondage accessories and reveals what was in the green bag, a riding crop! She turns to TD and announces that she wants to be tied up with the added bonus that she wishes to be bound to a tree and spanked using the crop.

Realising that he can't video the scene and tie her up. Jeny guides him with where he should set up the camera so as to make sure nothing is missed!

Jeny stands before TD and watches as he fits the leather leg strap. Jeny meantime pulls her top up so that her already erect nipples are free!

Up comes the second leg strap. TD is just about 6 inches from Jeny's perfect pussy. He asks her what is she doing. She is playing with herself. "Nothing" comes the impish reply, but Jeny can't resist continuing to rub her pussy. She admits to being turned on and as she continues playing with herself, she tells TD that he should attach a strap to one leg and around the tree and attach to the other leg.

Jeny then tells TD to get the crop. He asks her if she is sure that she wants to be spanked. "YES" is the urgent reply from Jeny! He starts to hit her gorgeous butt cheeks. "harder" she tells him. There follows a spanking episode that proves beyond a shadow of a doubt that Jeny loves the crop!

Jeny's ass is now almost purple and she is aroused by the situation she finds herself in! He continues to spank her. She asks TD to get her something to kneel on so he can take some photos but before he does that. He hits her pussy by mistake. Immediately he apologises!

However Jeny likes the sensation and urges TD to continue. Having taken the required photos, he sends them to Alex's phone. He orders Jeny to turn around. He frees her wrist restraints but keeps her leg restraints attached to the tree trunk.

Now with Jeny's naked body fully revealed not only to us but to the crop. She tells TD to start on her stomach and he gradually moves down to her pussy then back up until he spansks her breasts, paying particular attention to her nipples which are erect.

I get the impression that this might be the first time she has been in such a scenario as she clearly likes the feel of the leather crop and when TD starts again to rub the crop between her thighs, her breathing becomes shorter. She had asked TD to leave her wrist restraints untied and so she is able to guide the crop to her clitoris and this leads to her climax!

Jeny asks him to tie her to the tree again so she is unable to escape if anyone comes along the path. After TD has taken a couple of selfies he walks away, leaving her naked. Jeny waits for what must have seemed like ages for Alex to come and release her. And thus the video is complete!

This is probably my favourite outdoors video. Well I momentarily forgot about "IT" so it's a close second!.

So until we meet again, Poka Poka. 💋
