Part 1

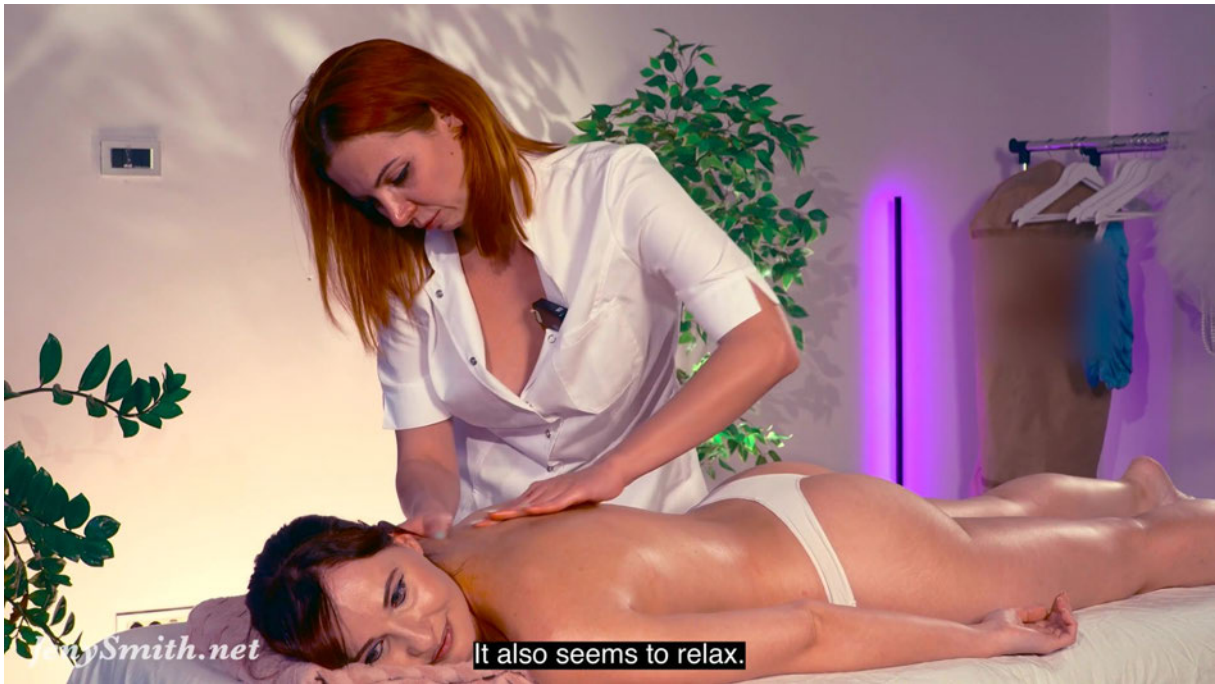

This is a wonderful video but I'm going to ask you if you wouldn't mind if I could split in two parts. Those of you that just want to just see the action, then fast forward to the 17 minute mark as advised by Alex and Jeny (Part 2 of this review).

Those people who prefer the longer version will gain an insight into Jeny's current life-style and who needs to rush anything Jeny related!

Veronica (an old friend of Alex) introduces herself. She is an attractive woman with strikingly brunette/chestnut red hair and she stands in front of a massage table. Veronica is a trained masseuse and is wearing a white short sleeved professional looking uniform. She tells us that she and Alex wanted to prank Jeny as Jeny has pranked others in the past.

Jeny arrives and after greeting her (they are in their studios) V asks Jeny to take her clothes off leaving her in just panties. Jeny lies face down on the table and V explains that she wants to produce a video to promote her skills as a masseuse and to advertise her business. There follows a conversation (more of later in the review) that Jeny has with V that goes some way to explain Jeny's (and a lot of women's) stresses that comes with being a model and staying in shape for her line of business.

They talk as only women can. Jeny admits to being almost addicted to stress and she says that she gets stressed if she doesn't have anything to stress over, she goes on to say that stress is her second self! All the time V is massaging Jeny and tells her that being stressed all the time is like carrying a bag of stones around with her all the time. Jeny agrees with her. You need a massage once a week, V tells her. A dose of stress for me please, Jeny quips and then asks V who responds with, you can always replace it with something more pleasant that won't leave your muscles so hard but that's more psychological which is more Jeny's area of expertise.

Jeny then tells V that she can't enjoy anything, that she doesn't find pleasure. V says that really is a psychology issue. " You should start with small things that are pleasant for you, like an ice cream, or coffee, coffee brings you joy!

Thankfully Jeny is trying to understand what makes her feel better. " You need some me time " responds V. Jeny remembers that all their conversation is being recorded and asks V if there will be music on the video to replace it.

Jeny is still unaware that she's being pranked as the massage that V is giving her is as normal as any other she has had. Their conversation continues with V saying that it's normal for people to talk freely to the masseuse and where others stay silent enjoying the sensation of relaxing.

I'm a chatty person, remarks V. Jeny replies that " sometimes I just can't shut up!" They continue with small talk, Jeny asking V about her work as a masseuse, V telling her about her boss, also a massager, but also an acupuncturist. Is that something Jeny would like? And all the time V is massaging Jeny's back whilst Alex concentrates on long lingering shots of Jeny's bare butt cheeks! (You'd forgotten he was there hadn't you!)

The small talk continues and Jeny tells V that she loves her thighs kneaded which V is only too happy to oblige. But she needs to take her pants off (trousers for us Europeans). V says it saves them getting dirty. Jeny's suspicions are growing that all is not as it appears! And as we are getting close to the 17 minute mark we will leave them in the interval

The reason for me including the review of the first 17 minutes is because it gives an insight into Jeny's day to day life and her battles with stress and weight (I have not included a section about the restraints she faces each day about what she eats).

Sorry if you think differently about Jeny but I think there's a subtle way of including a message to all of us that she is a human being who is complex (as most of us are) and we as members should take a moment before criticising her and remembering what she goes through to provide us with "entertainment".

Part 2

For those of you who are just joining us, I will say that this section is subtitled 'the main action' but I will give you a brief introduction as to who the players are, firstly there is Jeny, the star of our show and she is the victim, then there is Veronica, a trained masseuse and an old friend of Alex who henceforth will be known as V and last but by no means least is Alex our one and only camera man.

Alex and V have set up a prank for Jeny (although she's already suspicious). V continues her massage of Jeny. She then asks her if she can take off her panties to which Jeny asks who will see the video and if it's okay to video when she is naked. To which V says that she will cut out anything that might be too explicit. Jeny realises that the conversation that was recorded earlier contains information that she wouldn't want strangers to know, will there be music instead? Of course V replies.

V then says she doesn't want Jeny to have oily panties and she swiftly removes them. Gorgeous Jeny lies face down on the table with her beautiful butt cheeks fully exposed and V explains that she wants to make her stress free. V does this by immediately stroking Jeny's perfect pussy!

If Jeny has her doubts about whether she is the victim of a prank, the next thing she is asked to do confirms her suspicions. V asks Jeny to kneel so her magnificent ass is displayed in all its glory! So now Jeny is on her knees and elbows.

"This is unusual, I've never had a massage like this before!" says Jeny. "Well everyone has their own techniques" replies V, who goes on to explain that she can massage from both her stomach and her back at the same time. "Interesting" is Jeny's reply!

Jeny is now on all fours and is asked to spread her legs wide apart so that V can reach through Jeny's legs and massage her stomach whilst still rubbing her back. Jeny can't resist the opportunity to look at Alex with a mischievous smile as all pretence that this is just a normal massage is discarded!

V by this time is now rubbing oil all over Jeny's perfect pussy lips before returning to her back and stomach but this time going further and fondling her beautiful breasts paying particular attention to Jeny's nipples. The next 10 minutes are a masterpiece of erotica as V massages Jeny's beautiful body stopping briefly for Jeny to turn over. Jeny takes the opportunity to ask V if she knows what social network will the video be posted on before saying she knows of one that it will appear on "don't you Alex!"

I won't describe every last stroke and massage from V but suffice to say that it's incredibly arousing for both Jeny and her audience at home (ie: us!)

Jeny, now laying on her back, is clearly excited as V teases her pussy with its tiny landing strip and smooth bare lips. V then uses her entire forearm to rub Jeny's perfect pussy.

Jeny is now very aroused and starts playing with her erect nipples allowing V to concentrate on Jeny's clitoris. Jeny's breathing gets heavier as she nears her orgasm. V completes her work as Jeny reaches her climax and gently strokes her body allowing Jeny to fully enjoy the moment.

"I'm fully relaxed now" exclaims Jeny. "Then I did my job well" replies V. "Will that be in the video?" asks Jeny. "It's a bonus" is V's open ended reply!

Is that the end or is there more to come? You'll just have to watch won't you! Our Queen isn't the only tease here!

Until the next time. Poka Poka.
