## My monthly favourites.

I provided my thoughts about Jeny Smith's wonderfully erotic site for the year 2023. This time I am going to select my favourite video and photoset from those released for each calendar month in 2024.

Jeny and Alex and their daughter (and cat Mia) spent another year in their new country of residence. They also continued to use the studio/offices for a lot of their indoor shootings. Their family life was therefore fairly settled but they still had issues about getting access to their funds and about them getting visas to enable them to leave the country for business and family reasons.

Professionally, they still have to contend with the legal restrictions imposed on adult site operators by credit card companies, making it very much more difficult to feature other people in their videos. This is a huge frustration for Jeny as she is not able to shoot more videos outdoors where she flashes with the public around.

So, here are my personal favourites. In some cases they are not the ones that received the most thumbs up. For videos I have provided some screenshots to give a flavour of what happened in the video. For photoshoots I have provided photos that I found interesting, for a variety of reasons.

However, in no case do I show here the most explicit screenshot or photo. To see those you will need to subscribe to [jenysmith.net](http://jenysmith.net)

### Video: “The Board Game”

Tags: [game](#), [upskirt](#), [victim](#); Published: [27 January 2024](#)

Running time: 33:45 minutes

Angie, asked her friend Jeny to help her prank Angie’s brother Nikita. They decided to play a board game. Jeny was dressed fairly modestly, but still sexily at the start. She wore a loose fitting blouse, a black mini-skirt and black high-heels. However, throughout the game Jeny distracted the two other players and particularly Nikita by flashing her body.

At first and unusually for Jeny, she wore a bra beneath her blouse, a sexy purple one. She soon removed that and put her blouse back on so that when she leant forward she was able to flash her breasts and nipples. Of course, before not too long, she ended up naked, but the game still continued.

This is a very erotic, teasing prank video. There are some really great scenes where for example, Jeny bends over the back of the sofa to retrieve the dice. The video is also interesting because it is interspersed with shots of Nikita explaining how he was feeling during different stages. He was very lucky and really enjoyed the striptease show provided by Jeny.

## Photoset: “How I Attended Almost Naked At A Wrong Party”

Tags: party, wrong, dress, naked; Published: 9 January 2024

Number of photos: 37

Alex and Jeny had arranged to attend a party to celebrate the New Year. Jeny was dressed very sexily expecting it to be a lively, fun party. She had to walk into the venue alone whilst Alex parked the car. To her surprise the party was in a smart restaurant where the other people were sat down ready to eat.

Jeny had to cover her modesty by keeping her jacket on and using her handbag to cover her pussy as she walked to their table. Jeny, was however still able to provide some naughty photos, especially on a balcony, as she and Alex decided to try to take advantage of the situation. Jeny looked stunning in her “party” outfit!

## FEBRUARY

### Video: "A Show For My Driver"

Tags: alex, driver, taxi, elite, car, blow job; Published: 24 February 2024

Running time: 53:50 minutes

Jeny decided that the time was right to repeat an idea used before, where she would hire a car and driver for a few days. The first two days were spent simply driving around to get the driver and Jeny used to each other. Jeny had her 360 degree camera set up on the central armrest next to the driver so it could shoot both the driver and also Jeny sat in the back seat. Jeny planned to play the role of a rich woman who seeks out strangers to have sex with in the car. What an interesting scenario!

So, on the night of the proposed action, Jeny is sat in the rear of the car dressed very sexily. Underneath her coat she has a tight see-through top. She wears knee-high boots with stockings. We see soon enough that she has no skirt and no panties! At first she starts flashing her pussy, then her breasts trying to get the driver's eye. She also gets out the car and gets the driver to video her as she flashes outdoors.

Subscribers to Jeny's site know that this video gets very explicit at the end as she has arranged to meet up with her husband Alex and he pretends to be the stranger that will have sex with Jeny. Jeny is now naked in the car (apart from her stockings and boots). They indeed have sex in the car, making sure the driver can watch what they are doing. Alex leaves evidence of how much he enjoyed himself spread over Jeny's pretty face!

## Photoset: "I met her again"

Tags: [photoset](#), [stockings](#), [behind the scene](#), [backstage](#), [sex](#), [blow job](#), [alex](#); Published: 8 February 2024

Number of photos: 396

This is a large, beautifully erotic photoset shot by Viki. At the start Jeny is wearing a professional looking, but very sexy outfit, in bold colours of red and black which contrast strikingly with the largely white background. She also wears stockings and towering high heeled shoes.

Viki is a very good photographer who takes many striking photos. She also develops a rapport with Jeny as she gets her to pose in various erotic ways. She gets her to show some thigh, then her nipples and breasts and glimpses of her pussy. Eventually Jeny takes off her jacket, top and skirt to pose virtually naked.

Viki cannot resist touching Jeny intimately during the shoot. She also gets very close with her camera to Jeny as she masturbates on the bed. As subscribers will know, Alex ends up touching Jeny even more intimately and Viki captures some of their lovemaking.

## MARCH

### Video: "Her Husband"

Tags: [husband](#), [viki](#), [vicki](#), [vicky](#); Published: [11 March 2024](#)

Running time: 46:13 minutes

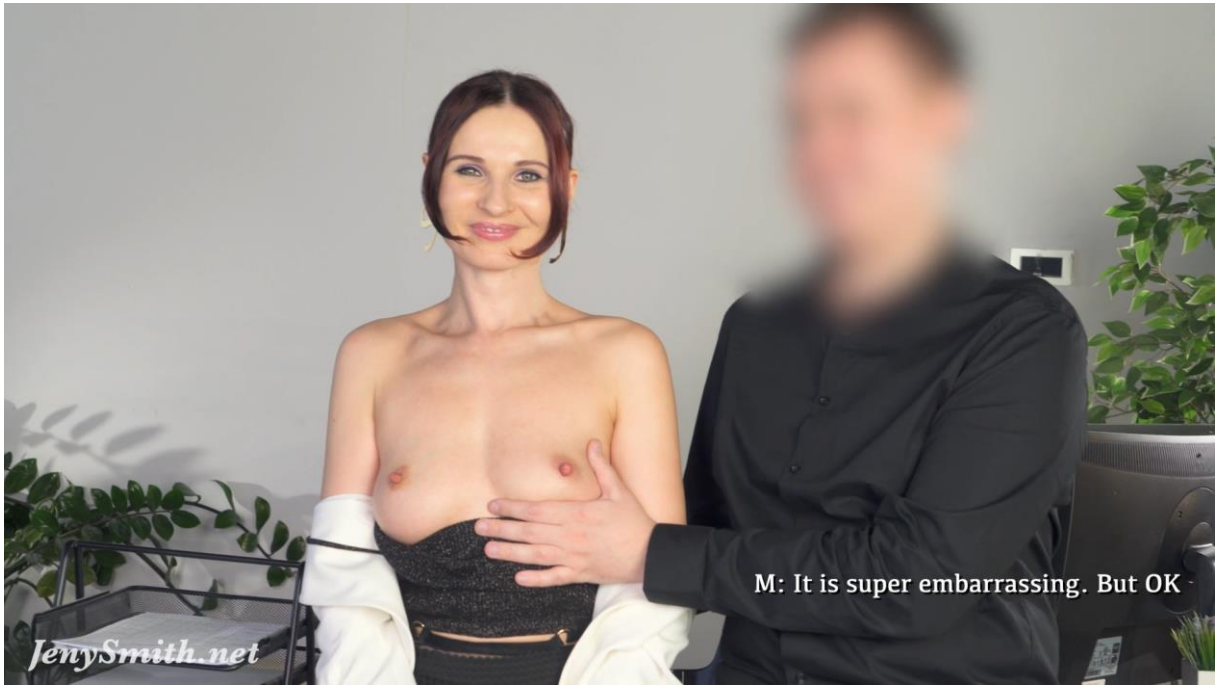

Jeny had previously used the services of Viki the photographer and was very pleased with her work. Viki suggested an idea where Jeny would be used in a photographic session to prank Viki's husband.

So Viki arrived for the session with her husband. The husband did not know Jeny was an erotic model, nor that nudity would occur. As far as he knew, his wife had been asked to shoot a set for her friend Jeny, and Jeny had an urgent need for a male model and he would step in to be that person.

The husband also did not know that his wife had plans for her husband to adopt more and more intimate poses with Jeny. As it happens, Jeny also did not realise quite how intimate the poses would be. The end result is a very erotic video, with Jeny allowing her boundaries to be extended once again, so that the husband ended up getting so close to Jeny's intimate parts. Viki probably did not realise either that she would end of with an orgasm at the hands of her husband, all caught on video.

This stunning video is greatly helped by the background music, particularly the final track called "Goddess" (a very apt name), as the video reaches its conclusion.

## Photoset: “Unexpected Finding”

Tags: [bike](#), [office](#), [stockings](#); Published: [19 March 2024](#)

Number of photos: 114

In somewhat typical Jeny fashion, this is an unusual concept and set up. Jeny is finally able to shoot outdoors as the weather is better. But she is dressed for the office. She is posing with a motorbike but she is wearing stockings and heels!

It provides some gloriously erotic outdoor shots, especially as Jeny soon discards her clothes and sits astride the machine.

## APRIL

### Video: "My Cold Thing"

Tags: [hook](#), [anal](#), [outdoors](#), [masturbation](#); Published: [4 April 2024](#)

Running time: 34:37 minutes

Jeny is off for a ramble in the countryside. The landscape seems quite dry with occasional greenery. We see Jeny has a pair of sturdy walking boots on, but she is not really dressed for a serious ramble. Instead she is wearing a tight black t-shirt with thin straps underneath a faded denim sleeveless top. She has no clothing on her bottom part meaning her pussy and butt are barely covered by her clothes as she walks.

Jeny is videoing herself with the aid of a camera on a selfie stick. She carries a large bag slung over her shoulder. At the start its contents are unknown. Jeny poses for the camera showing just how naked she is at the bottom. After passing close to a flock of sheep she removes all her clothes to pose naked for the camera, making sure her nipples are perky for the shot. She puts the denim top back on, but ties the black t-shirt around her waist, meaning her naked breasts, butt and pussy are now clearly on show.

After a while she unzips the case to remove a large sheet, which she leaves on the ground walking away from it. Some way away, she puts the case on the ground again to remove some more of the contents. We learn she is carrying arm restraints, a neck collar with a long belt on it, a wicked looking triple-ball anal hook and a pink clitoral vibrator. We get to see Jeny using all of these implements in quite explicit detail as she has two powerful orgasms.

## Photoset: “My very old and forgotten photos from my pregnancy!”

Tags: pregnancy; Published: 1 April 2024

Number of photos: 38

I’ve selected this set because they are old and were forgotten until found and posted. They show Jeny at different times during her pregnancy so her body is curvier.

They are also interesting because they show Jeny with what she has referred to elsewhere as her “Milk-Tits”. They also show her before she had laser epilation to remove her pubic hair.

## MAY

### Video: "A Roller Coaster For Jeny "

Tags: [prank](#), [stranger](#), [tied-up](#), [scary](#); Published: 15 May 2024

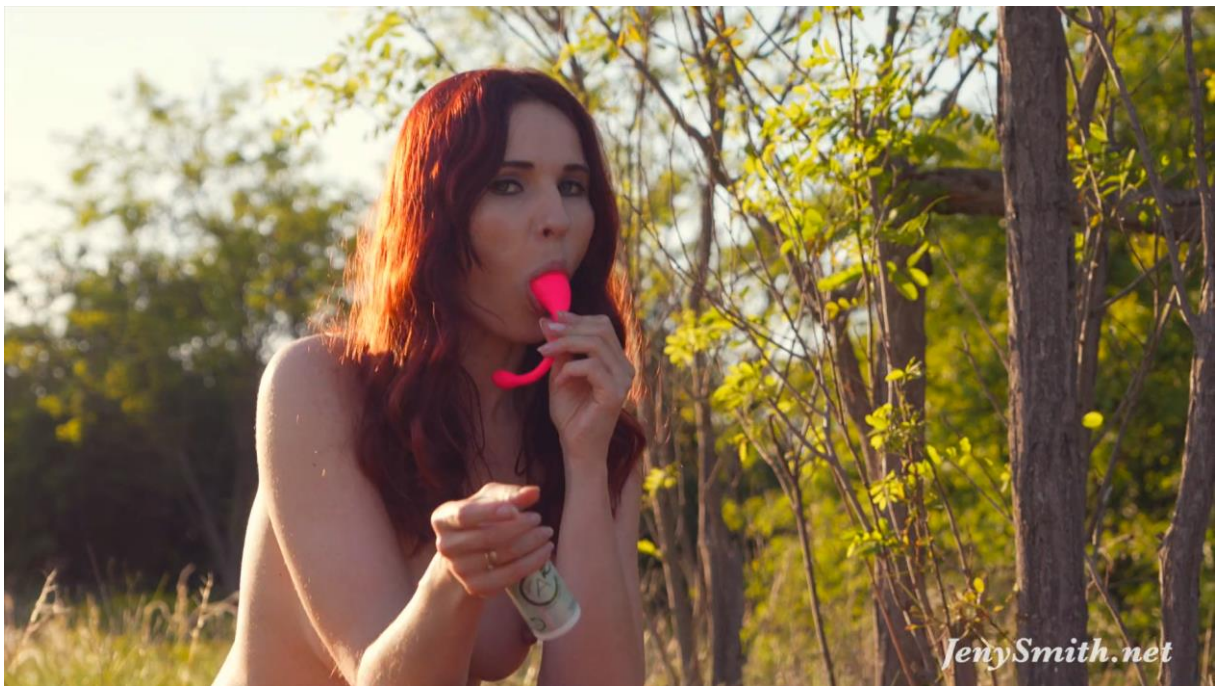

Running time: 28:53 minutes

On a previous occasion when Jeny was out in the countryside, she heard a noise in the woods which had scared her. She decided to revisit that spot, with Alex as a cameraman. Alex would also tie her up in that spot and leave her naked. Besides making a video of that event, Jeny was hoping she might fight her fear and enjoy the experience which would also excite her sexually.

So we see Jeny walking in the countryside. She is wearing her walking boots with only a black shirt cinched at her waist by a wide belt. She soon opens the shirt and we see she is naked underneath. She is also carrying a pink yoga mat to sit on. At the appointed place, Jeny takes off her shirt and spreads the mat out. She also rummages through a bag (which must have been carried by Alex) and removes and puts on some sexy strappy high heeled shoes. She also has her pink lovesense vibrator which she sucks to moisten it before inserting it in her pussy. Finally she has a blindfold and her wrist restraints put on and Alex secures her to a nearby small tree. So the stage is set.

Alex is filming from afar and we see Jeny naked, knelt on the mat with her butt in the air. But things take an unexpected turn, especially for Jeny. Unbeknownst to her, Alex has arranged for another man to get involved in the video. Watch to see what happened, especially how frightened Jeny became and how annoyed she was with Alex.

## Photoset: "Hello!"

Tags: [see-through](#), [outdoors](#), [dress](#); Published: 8 May 2024

Number of photos: 60

Alex and Jeny had invested in a better quality camera, which could be used for both photos and videos. They needed to try it out. What better way than looking to take some photos of Jeny outdoors?

Jeny was dressed for the occasion in a long black dress. It was see-through and Jeny could easily alter the length of the dress both to reveal her fabulous legs, or make it more or less see-through. She could also easily pull the top down to reveal her breasts. She completed the look by wearing her auburn hair in a pony-tail, she wore her own made drop earrings and a stylish pair of nude coloured high-heels. All in all, a stunning set of photos.

## JUNE

### Video: “A Handy Man and My Pulse”

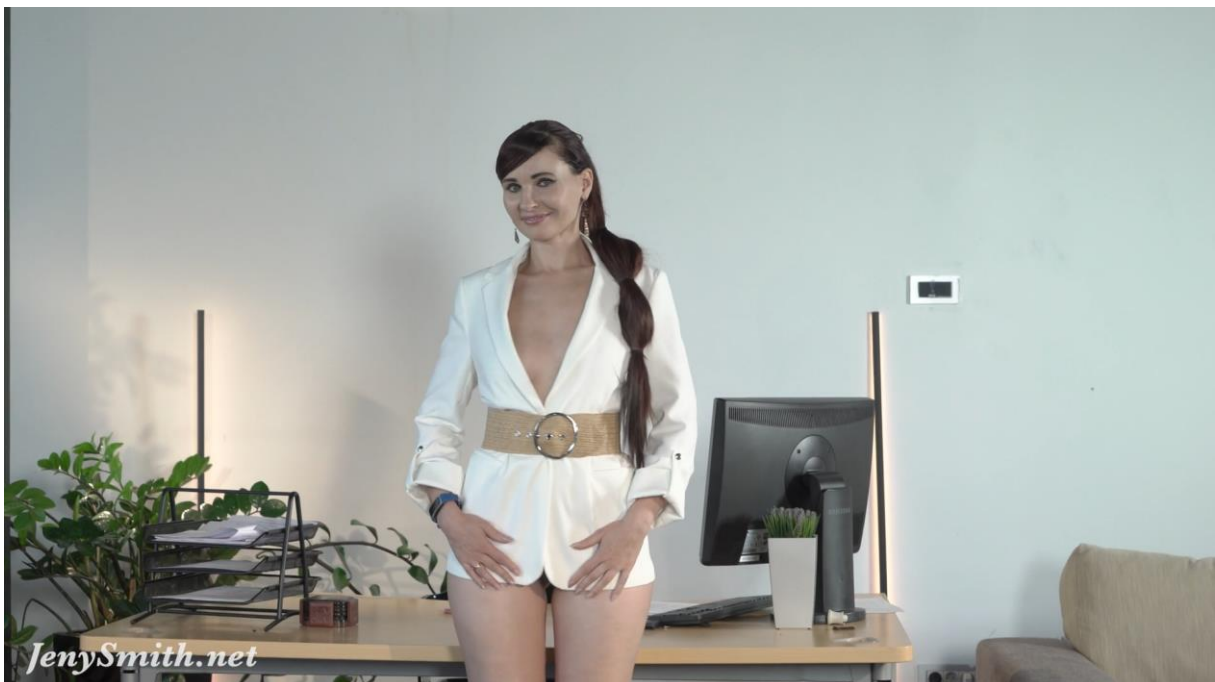

Tags: [heart rate](#), [handy man](#); Published: [19 June 2024](#)

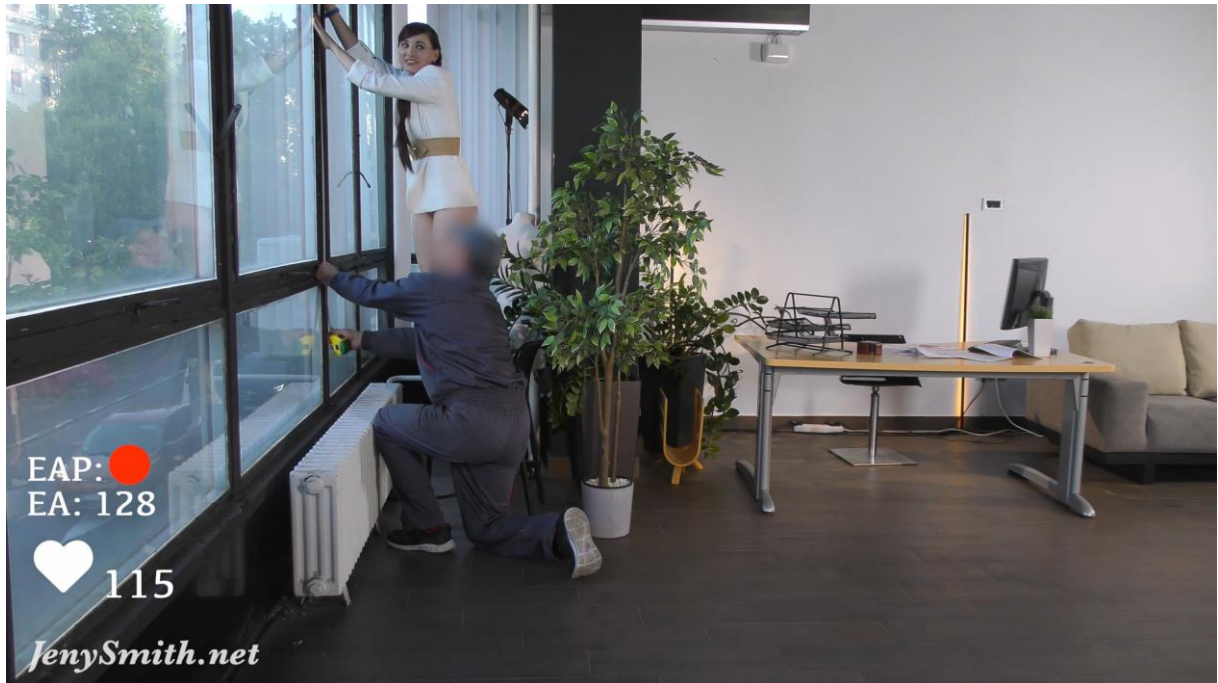

Running time: 38:01 minutes

Jeny and Alex planned to prank a tradesman. They called in a window repairman to see if it would be possible to install some soundproofing of the noisy windows at their office/studio. Jeny would pretend to be a secretary. Jeny dressed accordingly in typical Jeny fashion. She only wore a white jacket and high heels. The jacket was held in place by a wide brown belt but even when done up, she showed plenty of cleavage and the bottom of the jacket barely covered her naked butt and pussy.

In the introduction, Jeny looked slightly embarrassed as she admitted she had a “thing” with her. She also explained she would wear a fitness watch so that during the video we would be able to see her heart-rate, her emotional arousal and when that reached its peak.

At first, Jeny sat behind her table whilst the repairman carried out some basic checks and measurements. The desk had no modesty board, so Jeny spread her legs for the camera and bared her breasts and played with her pussy. Eventually the repair man noticed what was happening and started to take more notice of what Jeny was doing. He even persuaded Jeny to stand on a chair (in high heels – health and safety would not have allowed it – luckily for us they were nowhere to be seen), to carry out some spurious measurements whilst he knelt at her feet looking up at her pretty pussy. Jeny enjoyed the attention so much she asked the repair man to take a ringside seat as the video and her reached a climax. Actually, that wasn’t the end. Alex and the repairman then spent some time admiring Jeny’s butt.

## Photoset: "Zip Skirt"

Tags: [skirt](#), [outdoors](#); Published: [11 June 2024](#)

Number of photos: 37

This is another simple idea for a photoset. Jeny poses outdoors wearing a black mini-skirt which has four full length zips. Her top was striking being short sleeved with black and white halves and see through. So, even when posing fairly modestly, Jeny's legs look fabulous and her breasts firm and perky behind the sheer material of the top.

Of course, Jeny is not happy in just posing modestly. So there are a number of shots where she opens the zips or spreads her legs to flash her pussy.

## JULY

### Video: "Timer Padlock Games"

Tags: padlock, corridors, lost, alone; Published: 20 July 2024

Running time: 53.55 minutes

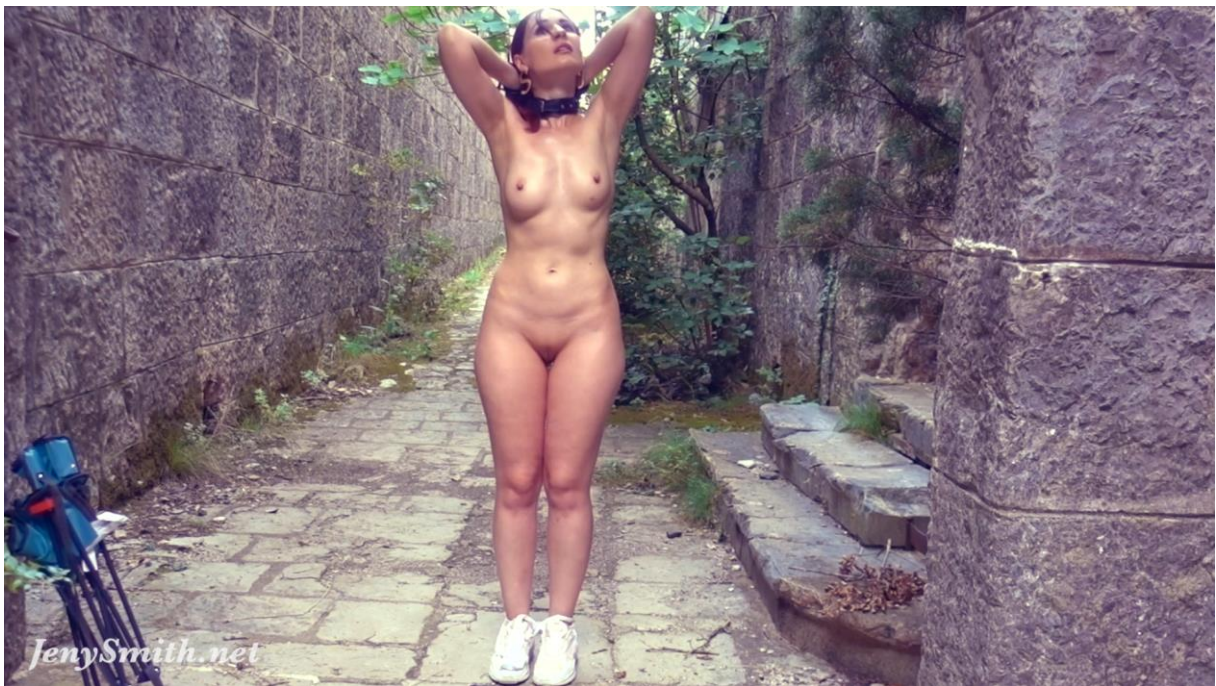

Jeny and Alex had stumbled across a Lost Fortress whilst on a break. (Their visit was shown in the video The Lost Fortress. "With Alex" <https://jenysmith.net/scene/9450566/the-lost-fortress-with-alex>)

Jeny decided it would be a good venue for her to explore alone with her selfie camera. She'd recently acquired some restraints and a timer padlock that she would use to restrain herself for a fixed amount of time. She would be unable to unlock the padlock whilst the timer was counting down so she could be potentially vulnerable for that period.

This video shows Jeny in different stages of undress, at different points in the Fortress restrained in different ways. She was very nervous undertaking these tasks so as well as getting to see this sexy lady's fabulous body, the video also shows how daring she is in trying to entertain her subscribers.

## Photoset: "My Hook"

Tags: [skirt](#), [outdoors](#); Published: [12 July 2024](#)

Number of photos: 116

Alex and Jeny were on a short break and decided to have an outdoor photoshoot. Jeny dressed very sexily in a short black skirt with a very deep slit in it and a floaty blue patterned top that was sleeveless and virtually backless. She also has pretty, strappy high heels.

After a number of photos we then see Jeny is wearing her wrist restraints. She then turns away from the camera and we see her putting on her neck restraint with a strap that dangles down her back. We then see this sexy lady has inserted her anal hook and has attached it to the neck restraint. The remaining photos show as this daring lady walks around and poses in that set up.

## AUGUST

### Video: “An Old Gentleman Caught Me”

Tags: toy, tied up, outdoors; Published: 19 August 2024

Running time: 31:46 minutes

Jeny and Alex were on holiday. Jeny was outdoors and the weather was warm and sunny and Jeny was dressed in a faded denim mini-skirt, a tight black sleeveless sparkly top with shoestring straps and heeled sandals. She explains at the start of the video she is walking alone and has found an interesting place. She has “things” with her and her camera is in Selfie AI mode. That should mean the camera will automatically follow and focus in on her. (In fact Jeny finds out it only works as long as she doesn’t move too far from the camera but otherwise does a good job).

So Jeny sets the camera down on a stand and we see it follow her as she walks around exploring. She removes her skirt and does some stretching by a wall. She then moves to a compound outside an abandoned structure that has rusty girders jutting out of the ground. We soon see that the things Jeny has brought with her include a folding chair, her restraints, a timer padlock and her pink lovesense vibrator.

We soon see Jeny sat in the chair, legs held high in the air, secured by restraints attached to a rusty girder behind her. The timer padlock is in place set for 10 minutes. The lovesense vibrator is also in place and Jeny is happily masturbating away as the sun shines on her. Suddenly, Jeny is startled as a voice from an unseen person says “So beautiful!” (I agree). Watch the video to see what happened next and to better understand why this video has been given its title.

Tags: [panties](#); Published: [12 July 2024](#)

Number of photos: 20

Alex and Jeny were on holiday and decided to take some photos outdoors by a busy road. Jeny was dressed in a tight, stretchy, patterned blue minidress. The dress was also see-through. Some passing motorists beeped their horns in appreciation of the gorgeous views offered by Jeny.

Jeny wore a bra and skimpy white panties beneath the dress at the start. But, the panties were removed for the final shots. So how do you answer the question posed by the title?

## SEPTEMBER

### Video: “My Transfer Trip To A Festival”

Tags: taxi, driver, uber, transfer, stockings; Published: 24 September 2024

Running time: 51:26 minutes

Jeny and Alex were intending to go to a festival. They booked an Uber taxi to take them there. Jeny planned to have some fun on the back seat whilst Alex took a video of her from the front seat. The driver was told they were doing a video blog so he would not be concerned by the video camera.

We see Jeny on the back seat. She is wearing a red miniskirt and a black waistcoat beneath a see-through long sleeved patterned top. Jeny decides to “have fun”. She opens her legs so we see the crack of her pussy and the hair on her landing strip. She then undoes her waistcoat and we see her nipples, squashed beneath the tight see-through top. She plays with her pussy and wriggles out of the skirt.

At that point and to Jeny’s surprise, Alex asks the driver to pull into a grocery store. He then gets out leaving Jeny in a state of undress on the back seat. Jeny moves to the seat behind the driver to partially hide herself. When Alex returns the journey continues. Jeny’s play continues and she exposes her breasts. She is even able to masturbate and achieve an orgasm (quietly).

We then see Jeny looking slightly embarrassed as she and Alex talk to the driver. But she then strips naked, apart from her stockings and shoes. The driver now knows what Jeny is up to and in the rest of the video we really see her really having fun. Watch it to see how Jeny drives off alone with the driver leaving Alex behind (Jeny getting her own back on him?), how she uses restraints to attach her heels to the seat headrests and even allows the driver to spank her.

(This video is a particular favourite as it was published on my birthday!)

## Photoset: “Your Dream Auto Dealer”

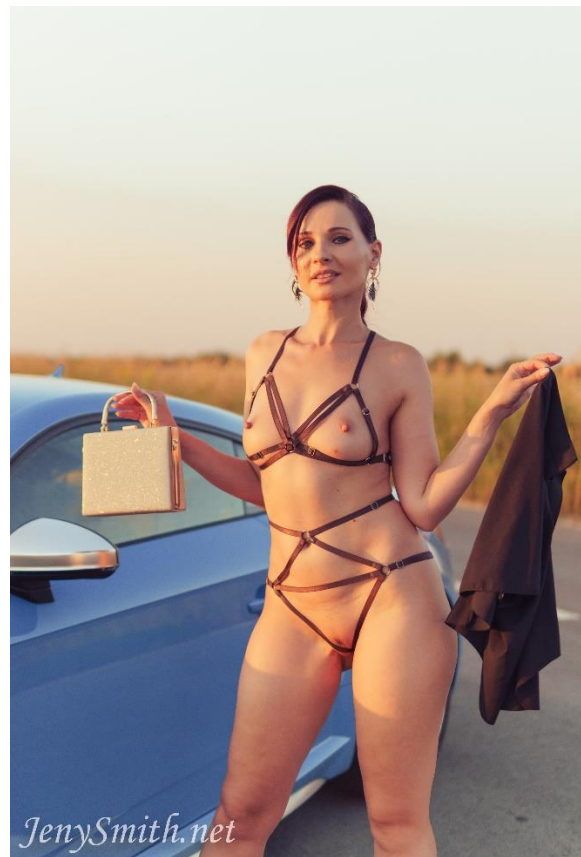

Tags: [auto](#), [car](#); Published: [2 September 2024](#)

Number of photos: 133

Alex and Jeny saw an advertisement where a rental company offered a car to be used in a photoset. In return, the rental company needed some photos of the car to use in its advertising brochure. They agreed a deal, and their driver drove the car to the location. It was a public road with some traffic on it.

Jeny was wearing one of her Mymokondo outfits beneath a black miniskirt and crochet top, which she eventually revealed. The driver from the rental company helped at the shoot by holding a sun reflector. Jeny noticed he was looking at her (no surprise really) and she also noticed he was looking a little shy. That made Jeny happy and excited.

The result of all this is a stunning set of photos. A beautiful, sexy woman with a powerful sport car! Jeny commented how much she enjoyed the shoot and how much she likes the set.

## OCTOBER

Video: “This time Alex and his friend pranked me”

Tags: [massage](#), [friend](#), [prank](#); Published: 24 October 2024

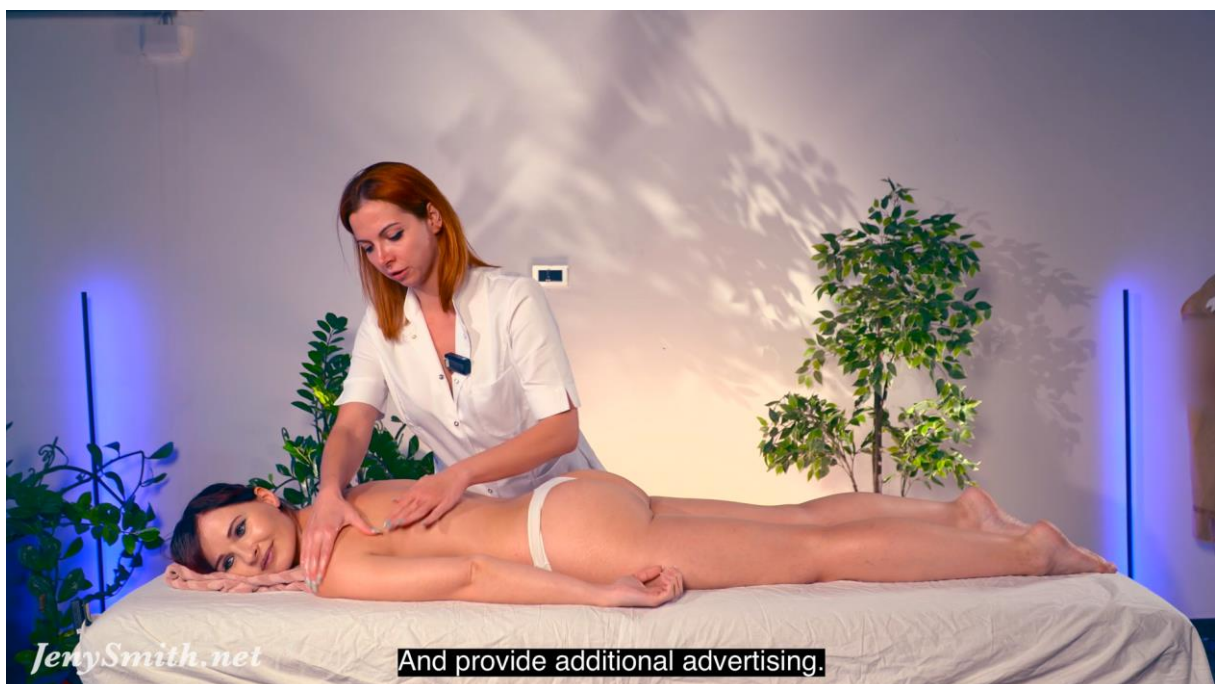

Running time: 45:41 minutes

In early September Alex and Jeny revived a massage video idea but with the twist that the massage was carried out on Jeny by a woman. It was well received by members – see [A massage for women - https://jenysmith.net/scene/9495398/a-massage-for-women](https://jenysmith.net/scene/9495398/a-massage-for-women) So, in October Alex thought to have Jeny massaged again by another woman but with another twist.

Alex told Jeny that he had a friend called Veronica, who was a massage therapist. She had asked Alex to video her whilst she massaged a patient to help promote herself on her social media site. She also needed a patient to massage and Alex had “volunteered” Jeny.

So we see Jeny being introduced to Veronica before Jeny undresses to lay on the massage table. Jeny wears skimpy white panties because she thought the video would need to be SFW. Veronica previously worked as a massage therapist, so she was able to properly massage Jeny, to convince her. Jeny relaxed and started to enjoy the massage and the talk with Veronica.

However Jeny started to have doubts about the position when Veronica took off her panties and even more doubts when Veronica took off her own trousers to “stop them getting covered in oil”. Jeny finally realized she was being pranked when she was put in the doggy position. Veronica carried out a very slow, sensual and intimate massage on Jeny, so much so that Jeny was brought to an orgasm by Veronica. In the end when Jeny thought the video was over, Alex left the camera running but joined in the massage as well, to help Jeny have another orgasm.

Photoset: “What do you think about this kind of pantyhose?”

Tags: [pantyhose](#); Published: 22 October 2024

Number of photos: 9

This is the only photoset released this month. Jeny was trying on a new style of shiny pantyhose. They had a gusset which Jeny did not like and she wanted to know what subscribers thought of them and whether they would like to see her wearing them in the video. The response was slightly mixed.

## NOVEMBER

### Video: “Blind Folded With The Taxi Driver”

Tags: taxi, stranger, massage, pantyhose, seamless; Published: 5 November 2024

Running time: 60:42 minutes

This video has two distinct parts. The first part shows Jeny looking at herself in a mirror. She is dressed in a baggy shirt which is slightly see-through so we can see her bare breasts beneath. She also wears a mini-skirt and knee high boots. It soon becomes clear she is also wearing pantyhose. She turns towards the camera. Alex (who is off-screen) asks her if she knows what is happening today and she says she will be having a massage. So the second part will be the massage itself.

Further talk takes place. We hear that the massage will take place in front of the taxi driver (who appeared in the recent festival trip (see my September choice). Jeny is nervous and feeling slightly embarrassed because she has become friends with the taxi driver. She says it is one thing to get naked in the back of a taxi but different for her to lie on a massage table to be massaged by him.

For the first nearly 30 minutes we see Alex and the taxi driver take it in turns to order Jeny to reveal different parts of her body and do simple tasks, such as getting down on the floor like a dog. We see Jeny clearly enjoying this section as she teased and flirted with Alex and the taxi driver.

We then see Jeny standing at the head of the massage table, ready to lie on the table. She admitted earlier that she had forgotten her panties, so she will be naked when she lies on the table. We also see that Alex will make Jeny wear a blindfold while she is on the table. For the next 25 minutes or so we see Alex and the taxi driver moving around the massage table, taking it in turns to touch Jeny’s naked body as it seems at times, Jeny’s hands were trying to stop them. Watch it to see it was a massage unlike any others previously shown on Jeny’s site.

## Photoset: "My Chinese Umbrella"

Tags: [umbrella](#); Published: [16 November 2024](#)

Number of photos: 79

This photoset was shot whilst Jeny was on holiday in another Country. The weather was very hot so when outside she needed her Chinese Umbrella (parasol) to protect her skin from the fierce sun. She wore the long dress which had featured in other sets and a pair of white trainers.

The sunlight beautifully lit the photoset and also highlighted Jeny's auburn hair. It also served to make Jeny's dress which was already translucent, completely see-through. In addition Jeny made sure she hoisted the hem of her dress high from time to time to bare her legs and to expose her pussy and butt especially when sat down on a stone wall and on a swing bench.

A wonderful set of photos showing the beautiful, sexy Jeny outdoors in nature.

## DECEMBER

### Video: "A Mechanic Helper prt.2"

Tags: [bike](#), [garage](#), [mechanic](#), [bike](#), [stockings](#); Published: 4 December 2024

Running time: 28:45 minutes

This video as the title says is Part 2. In Part 1 released on the 1<sup>st</sup> of the month (<https://jenysmith.net/scene/9574960/a-mechanic-helper-prt1>), Jeny met her friend Sergei, a motorbike mechanic in his bike workshop. He understood that Jeny would shoot a video as he showed her how to carry out some routine maintenance work on a motorbike. What he did not know was Jeny would prank him as she intended to flash him and show off her fabulous body.

Jeny was totally unsuitably dressed for the work. She was wearing knee-high boots, a mini-skirt, stockings (which we soon find out about), a waistcoat and long sleeve polo neck top. In Part 1, Jeny's skirt rode up as she bent to carry out the work and she flashed her butt and gave a glimpse of her pussy. She eventually discarded her skirt so both her butt and pussy were available for longer looks by Sergei. When she took off her waistcoat we see her nipples poking at the thin material. She was clearly excited.

In Part 2, Jeny really puts the pressure on Sergei as she ends up naked, apart from her stockings and boots and at times, the safety gloves given to her. She allows him to rub oil and soot on her breasts, tummy and butt. Jeny admitted that because he was her friend she found it especially thrilling to be naked in front of him and getting him to look at her naked butt and pussy.

## Photoset: “Some photos from shootings”

Tags: none; Published: 22 December 2024

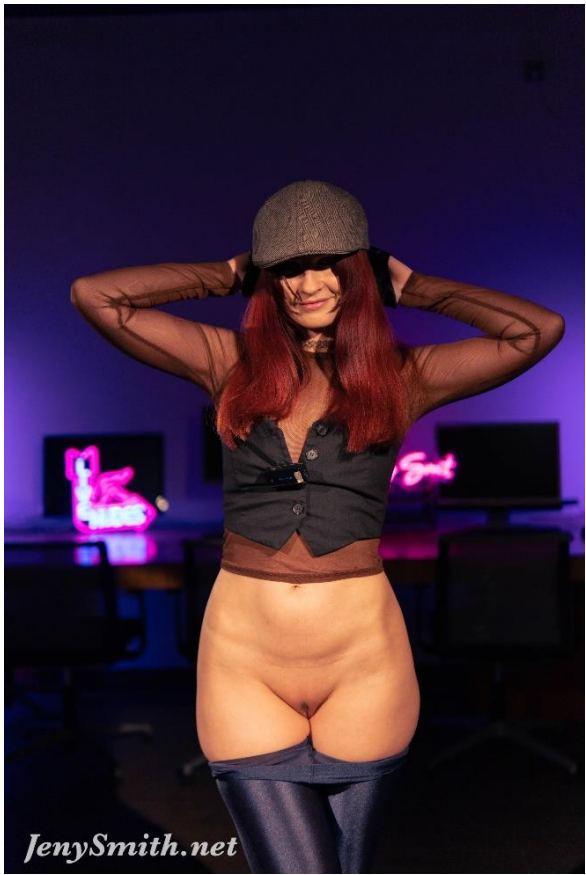

Number of photos: 128

This photoset is a collection from recent shootings. In the first part from the VR Psychologist shoot (<https://jenysmith.net/scene/9583560/vr-psychologist-pt-2>) Jeny is naked apart from white ankle boots and she wears her hair in a loose bun and pony-tail. Her body has been oiled and looks fabulous.

In the second part the photos are darker and edgier taken from the step nephews shoot (<https://jenysmith.net/scene/9587996/my-step-nephews>). Jeny wears a flat cap so that her eyes are largely shaded and she wears, at least at the start, dark blue shiny pantyhose and a waistcoat covering a brown see-through top. She pulls down the pantyhose to expose her lower tummy, pussy and thighs.

The final part is the most intriguing because Jeny admitted they were taken as part of a video shoot with a new female photographer. Jeny has loose curls in her hair and wears stockings, towering heels, a white top that covers nothing, a black tie and an incomplete suspender belt. The poses get more explicit and we see one of the female photographer’s hands caressing different parts of Jeny’s body. (The video which included these scenes is called A Very Modest Girl <https://jenysmith.net/scene/9599408/a-very-modest-girl> and was published 6 January 2025).

## SUMMARY

For what it is worth, my top video for 2024 is **Her Husband** (see March). Jeny was dressed as such a sexy secretary in stockings and high heels. The photographer Viki encouraged Jeny into some really intimate and sexy positions with her husband, who was able to caress Jeny very erotically. The husband was also able to undress Jeny which revealed she was also wearing a pretty suspender belt. There was a cracking soundtrack. Plus there was the unexpected bonus of being able to watch the husband finger his wife to her noisy climax.

So the first video published in this year was Happy New Year and Merry Christmas!!!

The final video was We Had a Avatar Challenge on FanCentro, published on 29 December 2024

photoset was SnowFlake published on 30 December 2024

<https://jenysmith.net/gallery/9594896/snowflake> . So in 2024 Alex and Jeny published 65 videos (counting both teaser videos and preview videos) and 33 photosets. They also produced a number of blogs and newsletters, none of which am I going to talk about here. But again, Jeny and Alex have provided some highly erotic, (sometimes explicit) adult entertainment. A lot of credit is due to Alex for his encouragement of his wife and his skillful editing and selection of soundtracks as well as being a great cameraman. But of course the star of the show must be the beautiful and sexy Jeny.

In addition Jeny has posted on numerous social media sites often experiencing problems with the censors of those sites. In my opinion she has often been treated unfairly by the censors particularly when compared with other content you can see.

In this selection, I have only mentioned one video and one photoset for each calendar month. I am sure many of you would have selected others. We all have different tastes. So, why don't you review 2024 and see if you would choose differently.

Being a member provides huge value for money as it only takes a very modest membership fee to gain access to all of the videos and photosets and other things, not only for the rest of 2025 but also going back some years. More than a thousand videos and tens of thousands of photos.
